CALIFORNIA 2018: FAMILY, FRIENDS & COMIC CON

My trip to California this year was pretty good, albeit a bit melancholy in places. But that's what happens when you go "home", and it's not really that anymore. I tried writing about my trip, but it just took up too much space! Here's the bullet points:

Saturday, July 14th

- Met up at the Sacramento airport with my friend Mark Haynes writer of *Stargate* comics and TV pilots, up from Los Angeles to visit our buddy Chris Cade.

Sunday, July 15th

- Visited Denio's Farmers Market, Auction & Bazaar, a massive, decades-old flea market complex in Roseville.
- Traveled to Newcastle for a family BBQ with my brother and his family.
- Played "Cool Uncle Marty" by unpacking the suitcase full of nerd swag!
- Got my *Aurora Gigantic Frankenstein* built-up model back from my brother for a box of Hot Wheels!
- Mark and I joined Chris Cade for a showing of Ant-Man and The Wasp!

Monday, July 16th

- Sick. Plane crud takes its grip on me!

Tuesday, July 16th

- Drive down to Los Angeles with Mark Haynes.
- Visited my parents' gravesite. (This one was tough.)

Wednesday, July 16th

- Attend a taping of *Jimmy Kimmel Live*. Haynes' first-ever live taping (and he LIVES IN LA).

Thursday, July 16th

- Drive down to San Diego: COMIC CON!
- Dinner with DC Comics' Sales and Marketing team.

Friday, July 16th

- Wander the convention main hall, crowds not bad.
- Later that evening, line up at Super 7's Universal Monsters "Boodega" pop-up store!

Saturday, July 17th

- Worked the booth from 10am to 2pm! Did you see me there?!
- More comic con! Drinks! Vinyl Kaiju! More drinks!

Sunday, July 17th

- On an airplane earlier than necessary…
- Back in Baltimore!

I think spending three days at Comic Con was more than enough… as Danny Glover once said, *"I'm gettin' too old for this $#!+."* But never too old to stop going!

But enough about my vacation trip, let's talk about ***PREVIEWS***, shall we?! This is the first issue of our 31st year of publication, and I for one am still having a blast bringing you the coolest stuff on Earth every month.

This month's theme is one of my favorites, *Video Games*! I'm a longtime video game, going back to the Pong-tastic "Telstar Ranger" console (the one with the Western six-shooter light gun!), which lead to the Atari 2600, Nintendo 8-bit, Super, 64, GameCube, PSOne, Xbox, Xbox360, XboxOne… and plenty of pick-ups over the years, including a working Vectrex console (one of my favorites)! Video Games have long been a rival of comics, but that's all changed in the past couple of decades, as comics began to create series based on video games, drawing players back to comic shops. Today there are dozens of video game-themed comics titles, and we feature plenty of them in this issue! Tying in with our theme, we've got some great creator interviews with folks involved in the video-games-to-comics field, including legendary writer Marv Wolfman, co-creator of *The New Teen Titans*, who's writing the new *Diablo* series for Titan.

There's plenty more going on in this issue, so dive right in! Me? I'm going home to play *No Man's Sky*… or maybe *Elder Scrolls Online*. So many choices…

That's all for this month! If you're heading back to school, pay attention, and enjoy yourself!

Your Pal @ ***PREVIEWS***,

Marty

It's all work *and* lots of fun at the fictional Berke's Comic Shop in our new strip, ***Comic Shop Tales***! Come back each month for a new tale, and go online at ***PREVIEWS***world.com for more strips during the month!

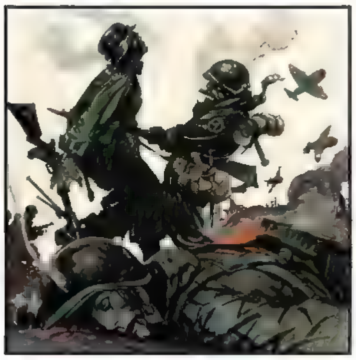
Where The Magic
Of Collectibles
Comes Alive!

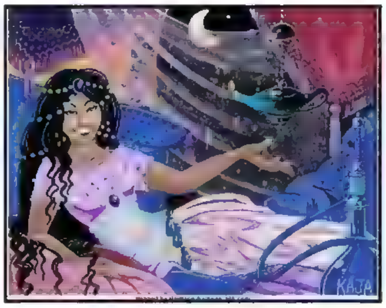


Frazetta Art, Comics, Star Wars Push Hake's Auction to $1.9 Million

Hake's Americana & Collectibles closed their second auction of 2018 with a total of $1.9 million in sales of historical and pop culture memorabilia. Frank Frazetta original comic book cover art took the top two sales with *Blazing Combat* #2 reaching $112,536 and #4 netting $101,386.

Detective Comics #36, with the origin and first appearance of Hugo Strange, sold for $28,997, and #38, with the debut and origin of Robin/Dick Grayson, hammered for $58,410. Among *Star Wars* memorabilia, the Power of the Force Anakin Skywalker carded prototype cleared $31,411, an Empire Strikes Back Six Pack yellow box realized $28,556, and Jawa figure with vinyl cape closed at $21,611.

Heritage Sells Magic: The Gathering Original Art for $72,000



An original piece of art for the "Shahrazad" card from the popular collectible card game *Magic: The Gathering* sold at Heritage for an astounding $72,000 in July. Kaja Foglio created the piece in 1993 in oil on illustration board and signed the image area.

The card is from the *Arabian Nights* set, which was the first *Magic* expansion pack. "Shahrazad" instructs players to quit their current game and begin a separate one with the remaining cards; once that game has been finished, players return to their original game, though the loser of the subgame loses half of their life. Since 2007, it has been banned in Type I/Vintage and Legacy play. The card alone can sell for $200 or more.

For more on collecting Magic *and other games, order a copy of* The Overstreet Guide to Collecting Tabletop Games *from your local retailer.*

The Original Pulp Heroine: Miss Fury

Created by artist Tarpé Mills, the first Miss Fury debuted in the Bell Syndicate Sunday comic strip on April 6, 1941. When she wasn't enjoying life as socialite Maria Drake, Miss Fury slipped into a special skintight catsuit that granted her increased strength and speed.

As Miss Fury, the superheroine regularly combatted villains like the mad scientist Diman Saraf and Nazi agents Erica Von Kampf and General Bruno. Along with these criminals, a recurring theme within the strip was a love triangle between Drake, her former fiancé Gary Hale, and Detective Dan Carey. The strip continued until 1952.

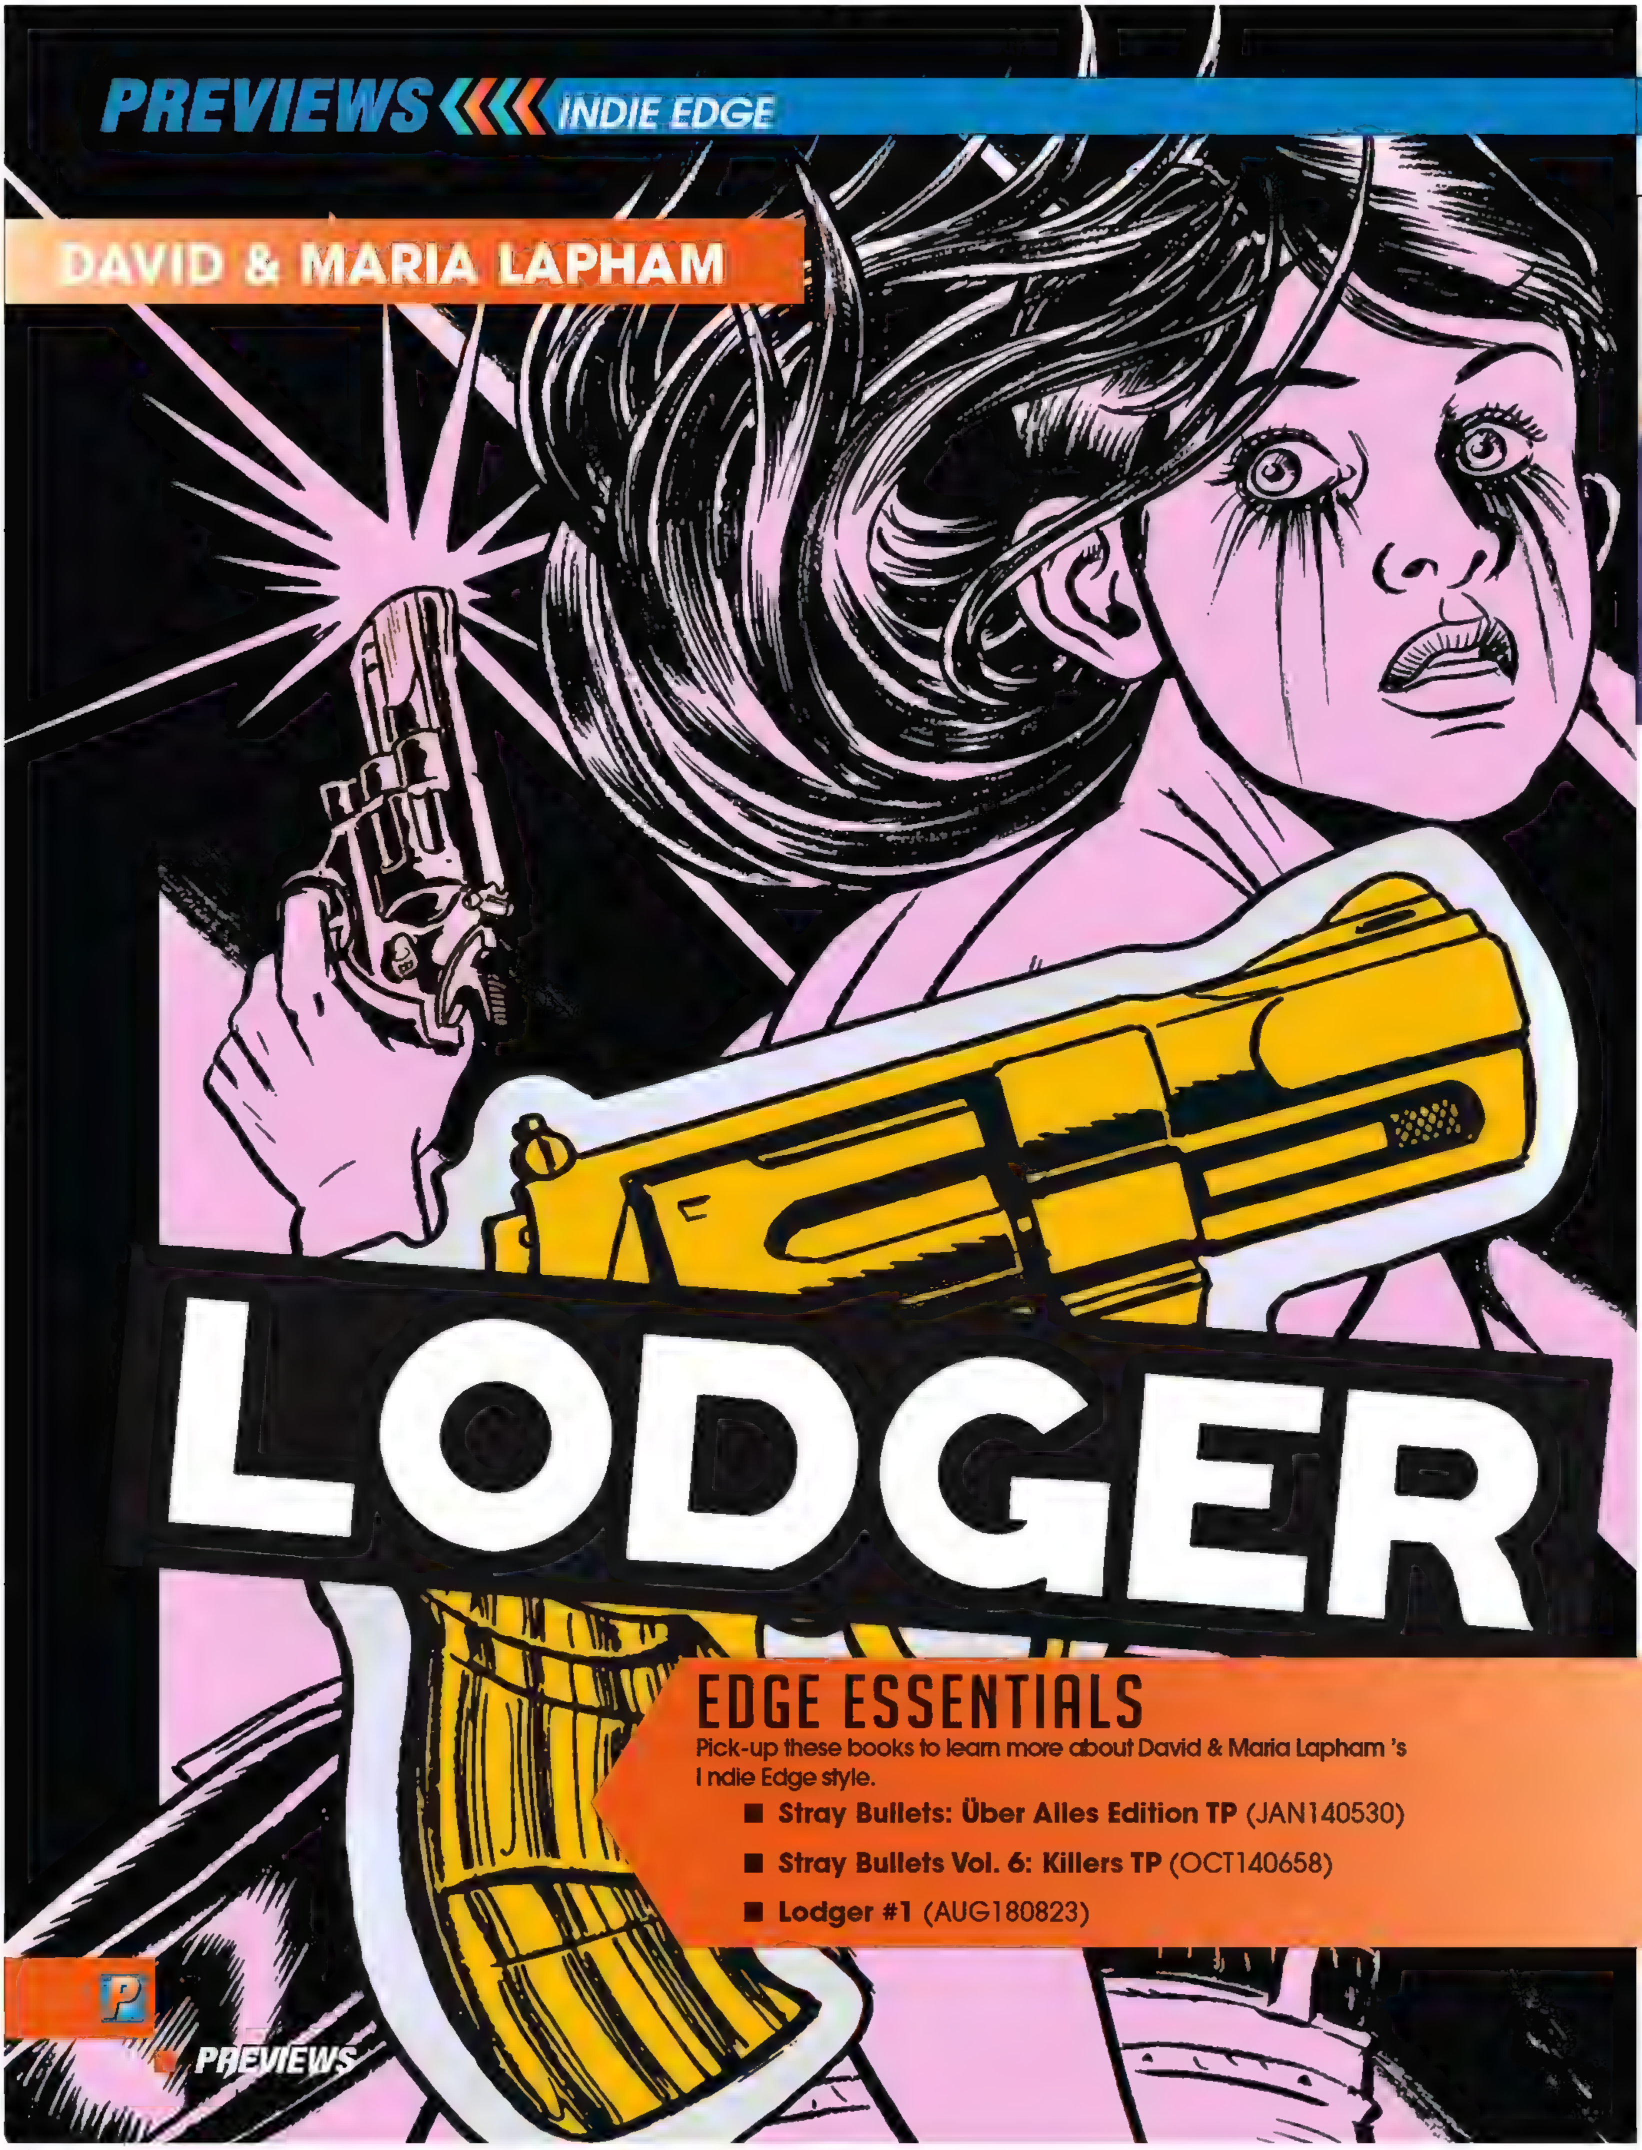
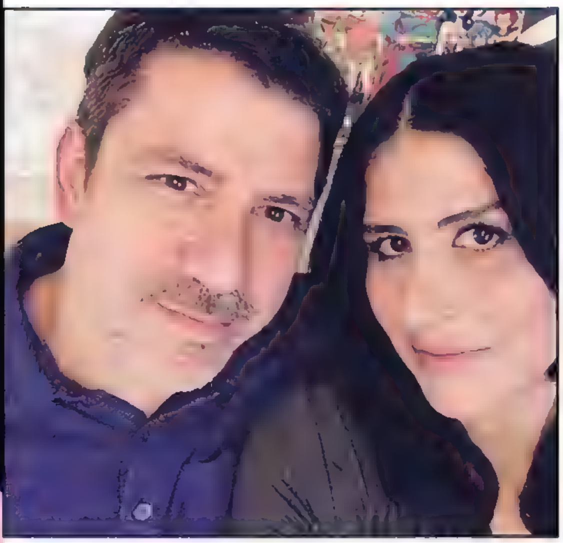
DAVID & MARIA LAPHAM



EDGE ESSENTIALS

Pick-up these books to learn more about David & Maria Lapham 's Indie Edge style.

- **Stray Bullets: Über Alles Edition TP** (JAN140530)
- **Stray Bullets Vol. 6: Killers TP** (OCT140658)
- **Lodger #1** (AUG180823)



Please tell us a bit about yourself!

For the past 25 years David and Maria Lapham have been producing one of the acknowledged masterpieces of crime comics, *Stray Bullets*, first under their own El Capitán imprint and more recently with Image Comics. They've also created and published the noir graphic novel, *Murder Me Dead* (MAY140634), and the surreal sci-fi character *Amy Racecar*, as well as numerous creator-owned and freelance comics for nearly every publisher in the industry. They currently live in Arizona with their five amazing children.

What are your favorite projects you've contributed to over the past decade?

For the past four years we've put all our energy into our first love, *Stray Bullets*, with two new story arcs: "Killers", and the current "Sunshine & Roses". Before that, a number of projects stand out like the miniseries David did for IDW's *30 Days of Night* universe, *30 Days 'til Death* (APR090901), and the two creator-owned projects with Shelly Bond at Vertigo, *Silverfish* and *Young Liars*... which brings us back around to our current project for IDW's Black Crown imprint, *Lodger* (Issue #1 / AUG180823)!

What are you currently working on?

We're currently working on the "Sunshine & Roses" arc of *Stray Bullets* (*Part 1* / MAR180618) for Image, and our newest creator-owned book, *Lodger*, for Black Crown. It's a cross-country cat-and-mouse thriller about a travel writer/ serial killer and the damaged young woman who pursues him with the aid of her only confidant — a golden gun named 'Golddigger'. Like *Murder Me Dead*, it doesn't fit into the continuity of *Stray Bullets*. So, with "Sunshine & Roses" coming toward it's finale, and before we started the next *Stray Bullets* story arc, "Virginia", the timing was perfect to pull the trigger on *Lodger*.

What fun titles are you reading?

There's a real creative golden age taking place in our medium right now, for sure! Jillian Tamaki, Gabriel Hardman, Jeff Lemire, Gabrielle Bell, Diiraj Mann... it almost seems unfair to mention just a couple of the books or creators we're moved, entertained or horrified by, because the list is so long! That said, our all-time favorite continues to be *Love and Rockets* (*L&R Companion* / NOV121179) Say what you want about any of the seminal works in comics, *Love and Rockets* takes a back seat to none of them. It IS the "driver's seat"! What Gilbert and Jaime have done — and continue to do — is perfection.

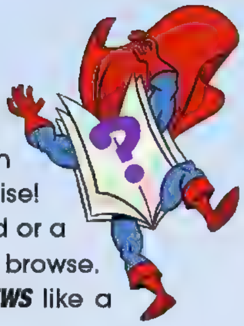
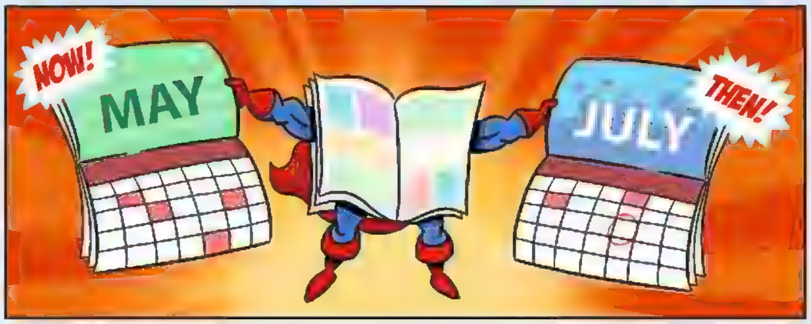
USER'S GUIDE



There's *a lot* of awesome comics and products to look through in ***PREVIEWS***. "A lot" might be a bit of an understatement, as each month's catalog is filled with hundreds and *hundreds* of pages of upcoming comics and related merchandise! It can be easy to accidentally overlook a new series you've been dying to read or a figure you've been pining to add to your shelf when there's so many things to browse. That's why we've put together this guide to help you learn how to use ***PREVIEWS*** like a pro to order the awesome titles and products you want!

WHAT EXACTLY IS *PREVIEWS*?

PREVIEWS is part catalog, part magazine (we call it a *Mag-a-log*!) of monthly listings of all of the upcoming comic titles and related products from your favorite publishers and manufacturers in one convenient place. And don't worry—***PREVIEWS*** is organized by publisher and product type (and color-coded to boot!), to make it easy to find and flip to the section or items you're looking for. Each item listing has the information you need, such as format, size, page count, price, release date, stock or item code, and descriptive text, and nearly every listing is accompanied by artwork or images.



NOW!
MAY
JULY
THEN!

The most important aspect of ***PREVIEWS*** to remember is that **items solicited in the catalog are anticipated to ship 2-3 months later** (or more). For example, if you found a comic you wanted in the May issue of ***PREVIEWS***, you can expect to see it turn up in your local comic shop in July. The catalog can be a great resource for figuring out where your favorite comic series is going, or for discovering new ones that you'll want to add to your library—not to mention all the other awesome products!

HOW DO I ORDER FROM *PREVIEWS*?

When you've picked out all of the items you want, you can fill out the **Short Order Form** included in your copy of ***PREVIEWS*** and submit it to your local comic shop. You can also ask your friendly neighborhood retailer about obtaining a **Customer Order Form**, a booklet that contains a complete listing of all the items made available for that month. These forms make pre-ordering your comics and products a breeze and can help your local comic shop decide what to stock in the store for other customers, too! Be sure to also ask your retailer about their **pullbox or subscription service**. Once you've submitted your order, you can sit back and relax, or try to contain your excitement until your comics and merchandise arrive!

Caution (CAUT: #-#-#)

Cautions listed at the end of catalog descriptions indicate an item that may ship late or otherwise diverge from its ***PREVIEWS*** description. These codes are separated into three categories:

International Rights (I-Rights) — the item is restricted into what countries it can be sold.
0 = No International Rights restriction;
1 = International Rights are restricted.
Content Changes — the content may change after solicitation.
0 = No Content disclaimer;
1 = Content disclaimer enforced.

Ship Date Changes — the final shipping date may differ or change from the scheduled ship date.
0 = Item is expected to ship within 30 days of the EST SHIP DATE.
1 = Item is expected to ship within 60 days of the EST SHIP DATE.
2 = Item is expected to ship within 90 days of the EST SHIP DATE.

PREVIEWS Abbreviations

SC = Softcover, HC = Hardcover, TP = Trade Paperback, MMPB = Mass Market Paperback, FC = Full-Color, b&w= Black & White; PC = Partial Color

A Note to Toy Collectors:

Your retailer cannot guarantee receiving specific items — such as action figures — when they must be ordered in case or "assortment" quantities. Please be aware of this when ordering action figures and other items designated as cases or assortments.

THE UNCANNY X-MEN ARE BACK... BUT WILL THIS BE THEIR FINAL ADVENTURE?

Split among various teams, the X-Men reunite to solve a mystery as Marvel Comics brings back *Uncanny X-Men* for a new ongoing series, kicking off with a ten-part weekly event from writers Ed Brisson, Kelly Thompson, and Matthew Rosenberg and artists Mahmud Asrar, R.B. Silva, Yildiray Cinar, and more this November!

A shocking disappearance brings the Marvel Universe's mutants together in a common cause, but will interpersonal frictions tear the X-Men apart before they have a chance to even work together to solve the mystery? Running weekly through November, December, and January, *Uncanny X-Men*'s "X-Men Disassembled" will push Marvel's mutants to the breaking point... and beyond!

An all-star roster of talent stands behind Marvel's *Uncanny X-Men* relaunch. Ed Brisson, the writer of *Extermination*; Kelly Thompson, the writer of *Mr. and Mrs. X*; and Matthew Rosenberg, the writer of *Phoenix Resurrection* are teamed with Mahmud Asrar (*X-Men Red*), R.B. Silva (*X-Men Blue*), Yildiray Cinar (*Weapon X*), and Pere Perez (*Rogue and Gambit*) to bring readers the most exciting mutant book on the stands!

Kicking off with a 72-page first issue, the weekly *Uncanny X-Men* is the mutant event Marvel Comics readers have been waiting for, and it all begins this November!

FIGHT MONSTERS DURING THE HARLEM RENAISSANCE IN IMAGE'S *BITTER ROOT*

Manhattan's Harlem neighborhood became the center of an intellectual and artistic explosion by black writers and artists in the 1920s that spanned writing and painting to music and culture that scholars today call "the Harlem Renaissance." A little known chapter of the Harlem Renaissance is told this fall in Image Comics' *Bitter Root* by David F. Walker, Chuck Bronw, and Sanford Green — a Harlem family, the Sangeryes, has been trained for generations to hunt monsters, and they are all the stand between New York City and a monster armageddon!

Monsters, American history, and three top creators, as well as variant covers by Mike Mignola, Denys Cowan, and Brittney Williams, combine to create one exciting package in Image Comics' *Bitter Root!*

DARK HORSE ADAPTS AN UNMADE *ALIEN* FILM IN A NEW MINI-SERIES

"The silent field of stars — eclipsed by the dark bulk of an approaching ship."

So begins William Gibson's screenplay for *Alien III*. Gibson, the award-winning science-fiction novelist who created the cyberpunk genre with his novel *Neuromancer*, was approached by 20th-Century Fox about writing the third movie in the *Alien* series. His script, a direct sequel to James Cameron's *Aliens*, focused on Corporal Hicks of the Colonial Marines and Bishop, a synthetic, as the producers were unsure if Sigourney Weaver would return as Ripley for a third *Alien* film. Weaver's decision to return scuttled Gibson's script, and the third *Alien* movie developed in other, Ripley-centric directions that bore no resemblance to Gibson's original story. This fall, Dark Horse Comics shows *Alien* fans the road not taken in William Gibson's *Alien 3*, an adaptation of Gibson's original screenplay by Gibson and Johnnie Christmas.

The survivors of the Sulaco expedition discover why Weyland-Yutani was so interested in the discovery made on LV-426 — the bioweapons division of the Company intends to create an army of Xenomorphs to wage a war against the Union of Progressive Peoples. But even the Company can't control the aliens, and soon Hicks and the other survivors must wage a desperate battle for survival and prevent the Company's experiments from escaping space station Anchorpoint.

At long last, thirty years after it was originally written, William Gibson's *Alien 3* reaches audiences, and no fan of the *Alien* franchise will want to miss the opportunity to witness what might have been!

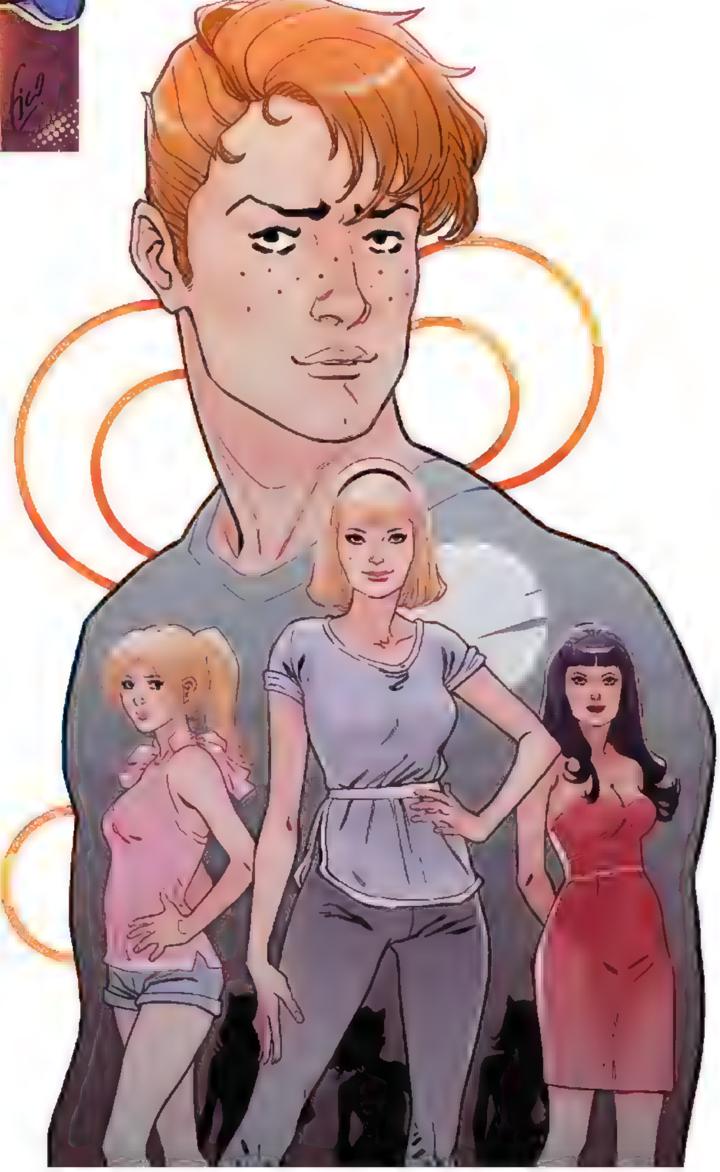
SPIDER-MAN SWINGS INTO ALL-AGES ACTION FROM IDW PUBLISHING

IDW Publishing and Marvel Comics have joined forces for a new line of all-ages comics starring Marvel Comics characters, and the line begins this November in IDW Publishing's *Spider-Man* #1 (IDW)!

Peter Parker has challenges balancing his life as a superhero and his life as a high school student, but with his new friends Miles Morales and Gwen Stacy, both of whom have spider-powers like he does, Peter is sure to succeed at both of his lives!

Written by Delilah Dawson and illustrated by Fico Ossio, IDW Publishing's *Spider-Man* is the spider-adventure for every reader!



A NEW ERA DAWNS FOR ARCHIE COMICS IN ARCHIE #700

Archie Comics' flagship title returns to its original numbering this November and launches a new direction in *Archie* #700! Nick Spencer (Marvel's *Amazing Spider-Man*) and Marguerite Bennett (DC's *DC Bombshells*) take the reins of Archie and the gang! Whether you're a long time fan or a new reader, *Archie* #700 is the perfect jumping-on point!

JAMES BOND FACES AN OLD THREAT IN DYNAMITE'S NEW ONGOING SERIES

This November, Dynamite Entertainment launches an ongoing James Bond comic book series from writer Greg Pak and artist Marc Laming in *James Bond 007* #1!

Bond is sent by MI-6 on a desperate mission to Singapore to investigate the terrorist organization known as ORU, and there he crosses paths with a dangerous Korean with a deadly bowler hat. Starting the Odd Job saga, James Bond faces a dangerous and famous foe in the Far East.

Her Majesty's Secret Servant returns for an ongoing series of missions this November in *James Bond 007!*

JOSS WHEDON'S *FIREFLY* RETURNS IN A NEW BOOM! STUDIOS SERIES

When FOX broadcast Joss Whedon's sci-fi western *Firefly* in the autumn of 2002, the show failed to find an audience yet it became a cult phenomenon with a loyal fandom known as Browncoats. This November, *Firefly* returns to comics in a new series from writer Greg Pak and artist Dan McDaid for BOOM! Studios. Revealing secrets going back to the Unification War, Pak and McDaid's *Firefly* is essential reading for every Browncoat!

DRAGON BALL MEETS THE REINCARNATION GENRE IN A NEW VIZ ONE-SHOT

Among the most popular manga genres today is the "reincarntion" genre, stories in which a character dies and wakes up in a completely different genre. *Dragon Ball* meets the reincarnation genre in VIZ Media's *Dragon Ball: That Time I Got Reincarned as Yamcha*. A *Dragon Ball* fan dies and wakes up in the world of *Dragon Ball*, where he must navigate a world he thinks he knows and survive as the series' most famous punching bag! Can he last beyond his fast-approaching Death-Day?! It's a comedic take on *Dragon Ball* in this one-shot!

LIFE IS STRANGE CONTINUES ITS STORY WITH A NEW COMIC SERIES!

FEATURED ITEM

Life is Strange #1 stars Max and Chloe, the beloved duo of the smash-hit game, in a brand new sequel!

Writer **Emma Vieceli** (*Back to the Future*, *Doctor Who*, *Breaks*) found the time to let us in on some secrets behind the series...

PHOTO: LISA CURTIS PHOTOGRAPHY

LIFE IS STRANGE © SQUARE ENIX 2018. ALL RIGHTS RESERVED.

EMMA VIECELI – WRITER

Were you a fan of *Life is Strange* before this series?

Emma Oh my goodness, yes! Played the game, wore the shirts, cried my heart out...To the point where, funnily enough, some of my fanart lead to me working with SquareEnix on *Life is Strange* official art pieces. One of the best things about this project is that all of us are nuts for the game. A meeting early on with editor Andrew and Scott from SquareEnix devolved quickly into a fansplosion!

How does it feel to add a new chapter to a story you love?

Emma Unreal, honestly. Even writing dialogue and trying to get into my head that "OMG, Max is going to say this" is just amazing. I've been allowed to play with a concept that I was very excited about and even to add new characters, so I'm just waiting to wake up, basically!

What do you most enjoy about *Life is Strange*?

Emma Anyone who's read my work knows I'm a sucker for teen stories. Coming of age, building relationships and views that will form a foundation to our adult lives. As I often say about mine and Malin Ryden's YA series, *BREAKS*, at that age real life is dramatic enough. *Life is Strange* adds a sci-fi twist. Enough to gamify a life, but not to detract from how big a deal a teen pregnancy, or parental loss, or a homework assignment might be. DONTNOD found a perfect balance between the fantastical and the very, very raw and real. It's magical.

How does this story start? The game had two very different endings to choose from...

Emma That it did! The comic is set in a possibility where Arcadia Bay was indeed ravaged by the storm. Chloe is alive and well, but many others aren't; I was actually pretty shocked by just how far Square wanted to take the results of the storm. Funnily enough, it's not the ending I personally chose. That's the magic of *Life is Strange*... we play out possibilities.

Are you looking forward to future entries in *Life is Strange*?

Emma Of course I'm looking forward to future entries – I've played *Before the Storm*, and *Captain Spirit* is sitting in my play list for as soon as time allows! The more time I can spend with characters and setups created by these amazing developers, the better. They're making in games everything I've been wanting to see more of in comics. Win win!

As a professional comics artist yourself, what's it like working with artist Claudia Leonardi?

Emma It feels incredibly weird for me to be writing and not drawing, but weird in a really fun way. I'm on the other side of the fence! I know how I would draw these pages, and I write them with my own visuals in mind, but the magic is seeing Claudia's take on them. That's something I can't predict entirely, and it excites me a lot! I am beyond excited to see how these comics turn out. I hope that years spent drawing from scripts myself, knowing what I like and hate to see in a script, will mean mine are fun for her to draw! Collaboration is a hugely fun part of comics, and when it comes to a series I care so much about, being asked if I'd like to write rather than draw it was the hugest compliment in the world. Getting to play in a property I love so much is perfection for me.

Are you introducing new elements into the world of *Life is Strange*?

Emma There is an overall new element, but the team know what they want the world setup to be, so several ideas were left on the drawing board. Things have to line up with future games – it's a web! I'm really happy with where we've ended up. My very first concept is still the one we're using, so I'm really chuffed.

This title caused a stir even before it was officially announced...

Emma Oh my goodness that response pre-announcement blew me away. We weren't allowed to confirm or deny at that point (I felt awful not being able to reply to people!), but it proved how much this game means to so many people. Anyone who's played *Life is Strange* knows that all choices are valid to the chooser. What we'll be doing in the comic is presenting one possibility. Without giving too much away, we may even be making that fairly explicit... So, I'd hope that anyone who fell hard for Max, Chloe, and their story will be able to enjoy the ride, safe in the knowledge that this comic is playing out one possibility of many.

SERIES PREMIERE [illegible]

In the 1920s, the Harlem Renaissance is in full swing, and only the Sangerye Family can save New York—and the world—from the supernatural forces threatening to destroy humanity. But the once-great family of monster hunters has been torn apart by tragedies and conflicting moral codes. The Sangerye Family must heal the wounds of the past and move beyond their differences... or sit back and watch a force of unimaginable evil ravage the human race.

DAVID F. WALKER and **SANFORD GREENE**, the creative team of **Power Man** and **Iron Fist**, along with indie veteran **CHUCK BROWN** (**Trench Coats, Cigarettes and Shotguns**) bring you 24 action-packed pages of monsters, mayhem, and family dysfunction in a brand-new ongoing series.

From **JONATHAN COULTON**, the singer-songwriter behind **Code Monkey** and the **Portal** songs; **MATT FRACTION**, the writer of **SEX CRIMINALS**, **CASANOVA**, and **ODY-C**; and **ALBERT MONTEYS**, the award-winning Spanish artist of **Universe!**, comes **SOLID STATE**, a graphic novel companion to **COULTON**'s Grammy-nominated album of the same name.

Two guys, connected by a name and hundreds of years, somehow stand at the end of man's beginning, and the beginning of man's end. Most of all, though, it's a funny science-FACTion nightmare about the end of everything—but how that's all kind of okay.

Available for the first time, this oversized hardcover edition of the graphic novel accompaniment to musician, singer-songwriter, and internet superstar **JONATHAN COULTON**'s new concept album, **SOLID STATE**, is signed by **COULTON** on a special signature page. PLUS: each hardcover includes a free download code for the album.

ROMANTIC SUSPENSE

Leslie J. Blair is a simple pig girl. She loves sushi, and she hates her job. Her world is dominated by a totalitarian government that interferes in the personal lives of its citizens, punishing transgressors for so-called "unnatural" relationships. Leslie dreams of something different for herself, but these dreams are becoming dangerous. And, when she wakes up, she thinks she's being watched...

The hit Italian comic, an erotic fantasy/romantic suspense series by **MIRKA ANDOLFO** (**Wonder Woman**, **Harley Quinn**, **DC Comics Bombshells**), will take you to a colorful but terrible world full of anthropomorphic creatures—but light on personal freedoms.

GREEN RIVER KILLER
A TRUE DETECTIVE STORY
With a New introduction

"An astounding graphic novel—this is not just a riveting, relentless crime story, but a crackling morality tale pitting the dark glamour of evil against the day-to-day hard work demanded in the upkeep of decency. Absolutely fantastic."
—Gillian Flynn, New York Times best-selling author of Dark Places and Sharp Objects

GREEN RIVER KILLER: A TRUE DETECTIVE STORY HC (SECOND EDITION)

Jeff Jensen (W) and Jonathan Case (A/Cover)

On sale Jan 30
FC, 240 pages
$24.99
HC, 7" x 10"

The story of one of America's most notorious serial killers and the true detective who cracked the case is revealed in this true crime graphic novel unlike any other!

Throughout the 1980s, the highest priority of Seattle-area police was the apprehension of the Green River Killer, the man responsible for the murders of dozens of women. In 1990, with the body count numbering at least forty-eight, the case was put in the hands of a single detective, Tom Jensen. After twenty years, when the killer was finally captured with the help of DNA technology, Jensen spent 180 days interviewing Gary Leon Ridgway in an effort to learn his most closely held secrets—an epic confrontation with evil that proved as disturbing and surreal as can be imagined.

artist **Dean Kotz, Steven Cummings, Harvey Tolibao, Ramon Bachs, Francesco Mortarino**

cover **Max Dunbar**

The Baldur's Gate heroes return to the city at last, but their time adventuring in Ravenloft and the frozen northern reaches of the Realms has changed them. Still, each of them must face great trials ahead before they'll be ready to embrace their destiny. A new hero of the people roams the streets of Baldur's Gate, and Minsc feels left behind despite his own legend. Can he reclaim his place as the city's Beloved Ranger? Whatever happens, evil is going to gets its butt kicked most thoroughly!

JINGLE BELLE: THE HOMEMADES' TALE

writer **Paul Dini**
artist **Nicoletta Baldari**
cover **Stephanie Buscema**

We all know that Santa arrives on Christmas Eve bearing bright, shiny new toys for happy kids everywhere. But what happens to the humble homespun holiday gifts often passed over in the rush—the grandmother-made sock animals, or the paste and cardboard unicorns given from little sisters to older brothers? Quite often they wind up shoved aside, ignored or tossed in the trash with the wrapping paper—until the night after Christmas, when they are rescued and magically brought to life by the mysterious Queen of Toys.

A strange being both kindly and vengeful, the Queen is amassing an army of abandoned toys, "The Homemades," for the sole purpose of vanquishing the Kringle family and seizing the holiday season for herself. Only Jingle Belle and an odd assortment of her friends stand a chance of foiling the Queen's plans. But first, Jingle must unravel the mystery behind the Queen's origins and confront a heartbreaking secret from a Christmas long past.

2 PLAYERS • PLAYABLE FROM AGES 14+ • 30 MINUTES
• MSRP $49.99 • UPC: 8-27714-01327-6

Few diversions in Republic City offer as much excitement as attending a pro-bending game! This is doubly true when the teams facing off in the hexagonal ring are the reigning champs the White Falls Wolfbats and their fierce challengers the Future Industry Fire Ferrets!

In *The Legend of Korra: Pro-Bending Arena*, two players face off as either the White Falls Wolfbats or the Future Industry Fire Ferrets in an attempt to defeat their opponent and take on the title of Pro-Bending Champions. Blending card drafting, resource placement, and area control, players in *The Legend of Korra: Pro-Bending Arena* draft unique decks for each bender on their team, equip special team-ability trick cards, and strategically place their team members and the elements they bend on the board. Push the farthest forward, or in a real show of strength, knock out the other team entirely, to claim the pro-bending championship!

The ODD JOB epic begins in a new ongoing James Bond comic series by superstars GREG PAK (Planet Hulk, Mech Cadet Yu) and MARC LAMING (Star Wars, Wonder Woman)! Agent 007 tracks a smuggler into Singapore to secure a dangerous case, contents unknown. But a Korean mystery man wants the case as well, for very different reasons. And if Bond and this new rival don't kill each other, the ruthless terrorist organization known as ORU will be more than happy to finish the job.

GREG PAK TALKS *JAMES BOND: 007*

Who is James Bond, to you?

Bond is the consummate ruthless professional. He's suave and sharp and always up for some fun, but he's always focused like a laser on his mission, and will do whatever it takes to finish the job, no matter what. His incredible skills and ingenuity and the professional pride he takes in all of the savory and unsavory aspects of his job make him ridiculously fun to watch -- and write!

This is the first modern-day ongoing Bond series in several years. Can you tell us about Bond's mission in this series, and who his mysterious co-star is?

Bond's mission is to track down a Russian smuggler who's trying to deliver a mysterious silver briefcase to a terrorist organization known as ORU. But there's another secret agent on the job -- an incredibly dangerous Korean assassin who wears a distinctive bowler hat that might just remind readers of the classic Bond villain Oddjob.

But our new mystery man is a new character with a distinct personality and mission. He's just as ruthless and skilled as the original Oddjob. But he's an even greater challenge to Bond, with his own personal stake in the game. If Bond's driven by professionalism, our new man's driven by passion, which makes him unpredictable, dangerous, and huge amount of fun. He might end up being Bond's most lethal enemy -- or most compelling rival.

Who's the rest of your creative team, and what are they each bringing to the series?

Marc Laming is drawing, and he's bringing a gorgeous, clean line that feels grounded and realistic as befits an espionage book while delivering all the dynamic, thrilling action that you could want in a comic book.

Triona Farrell is coloring. She's just awesome. I've worked with her on a couple of books, including MECH CADET YU, and she's got a great eye for surprising, exciting color choices that totally work. She's giving every scene distinctive atmosphere and electricity.

Ariana Maher is lettering, and she's fantastic. We've got a variety of voices in the book, and I can't wait to see how she explores them.

And my old buddy Nate Cosby is editing. I worked with Nate on dozens of HULK and HERCULES books back in the day and always jump on the chance to work with him whenever he calls. He's pushing me hard, helping me take the story to the next level every step of the way. We're telling an espionage story with a great mystery and plenty of twists and turns, so we're stress-testing it at every stage to make all of the big reveals and thrills pay of in the best of ways.

DAVID AVALLONE TALKS *BETTIE PAGE*

Bettie is back! Yet, she's come to London?

Yes! In my last Bettie Page series, the first four issues were a love letter to Hollywood in the 1950s, then there was a single-issue tribute to monster movies from the period… and then the last arc, set in Cannes France, was a way to have fun with the European film (and espionage) culture of the time. When the series wrapped up, I had a fun plotline prepared about Bettie in England which we never got around to, and now I get to do it! I spent a small but significant chunk of my childhood (about three months) in London and the city and its people lodged themselves forever in my heart.

You've mentioned MI6 and UFO's...Is Bettie up for the challenge?

Bettie is up to any and all challenges. The real Bettie had a challenging life and handled the ups and downs with great courage and pluck, and I always try to reflect that in the comic book version. But she does get by with a little help from her friends, some of whom readers will remember from the first series, and some of whom will be new.

How do you and artist Julius Ohta approach the setting for this series?

This is our first series together, and I have discovered to my joy that Julius – aside from being an amazing artist – is, like me, big on research and preparation. I always start a Pinterest board for every series and upload a whole bunch of visual reference for the series. (Committed snoops can probably find these boards and discover potential spoilers for upcoming issues…) I try my best to cover every costume, prop or physical setting that might require a reference. Julius comes back with his own (great) ideas. That covers the art. As the writer, I do my best to recreate the jargon of the time and place, and I know for this one I will be reaching out to some English buddies (Hi, Cavan! Hi, George!) to make sure I don't make any rookie mistakes.

What excites you about writing in the 1950's?

I've said this before: writing in a period is an excuse to learn about it, and to work with the music of a language that's not quite what we speak anymore. I think that's irresistible. Also worth mentioning… my father was a pulp fiction novelist, Michael Avallone, whose series character – Ed Noon – premiered in 1953, so the time period is something I have a great fondness for. In fact, Dave Acosta (our Elvira artist) is providing the cover for an unpublished Ed Noon novel I'll be releasing soon.

Anything else you'd like to add?

I've been fond of Bettie since I was aware of her… but working on the first series made me absolutely crazy about her. In my life, I've had the good fortune to know many women like Bettie, particularly my wife Augusta aka burlesque dancer/producer Penny Starr, Jr. When the previous series ended I had faith we hadn't seen the last of each other, and I'm delighted to be back working "with" Bettie again on something new.

JOHN JACKSON MILLER TALKS *BATTLESTAR GALACTICA*

You're a superfan of BSG 40 years in the making, is this the story you've been waiting to tell?

This story is actually quite a bit bigger! Over the years and the various revivals, I've been interested in doing a Galactica story — the timing just never worked out. I had even written a proposal for one of the previous iterations, long before I did anything for Star Wars or Star Trek. In some ways, it's better getting the chance now, since rather than a short story, I'm getting a whole miniseries to tell a story with serious scope and depth.

As an author of some huge sci-fi franchises, what's different about writing BSG?

Galactica depicts a journey. It's a journey with a destination in mind, as opposed to never-ending exploration; it's also a journey with a pretty serious imperative, which is the survival of humanity. The Cylon menace isn't something that's going to go away, and it isn't something the humans have the power to end — at least, that's Commander Adama's thinking when Counterstrike begins. That has an interesting impact on the kinds of stories Galactica is able to tell: the political situations they're seeing aren't ever static. They're always on the move, meeting new beings.

How do you and artist Daniel HDR set the tone for the series?

As I remarked in the beginning, as much as any of the actors, the stars of the show were the Colonial Vipers — which remain my favorite starfighters in any franchise, because they look like they work! — and the Galactica itself, which is truly an aircraft carrier in space. The cast is certainly active, but the space battles were a huge reason kids tuned in years ago, and I think they're key to getting the look of the series right.

Counterstrike picks up right as the TV show ends, any surprises in store?

Yeah. The crew is always caught between the desire to fight back against the Cylons and their loyalty to the fleet, which isn't outfitted for war. We saw what happens when a second Battlestar is added to the mix in "The Living Legend" episodes; in Counterstrike, at a critical time in Galactica's journey, they encounter a second fugitive fleet, much like their own, running away from a completely different menace. There's a serious possibility the two forces can solve one another's problems — but it's something that Adama has to think hard about. Would victory end the need for their journey to Earth?

Anything else you'd like to add?

I'm delighted to be working with Dynamite on this. I often joke that I've been strip-mining my childhood for a living, having worked with so many classic franchises; this is a trip I never thought I'd get to take. Writing the characters has come very naturally — even after all this time, it feels very fresh, as if I'm writing for the comics in 1978-79. It's a fun journey, and I think readers will enjoy the ride!

The adventure continues from multiple Eisner Award nominee MARK RUSSELL (The Flintstones) and BOB Q (James Bond Origin)!

Tonto and the Lone Ranger go to Austin to foil a plan to cover the Texas panhandle in barbed wire. They are discovered and have to fight their way out of the city. Tonto devises a new strategy based on trick plays he learned from playing football at the Carlisle Indian School and Silver knocks a man unconscious with a wooden post.

MISS FURY is drafted by the OSS to go behind German lines to liberate dozens of captured girls of the Nazis notorious "JOY DIVISION", but her mission is interrupted in the form of a murderous sniper bent on killing innocent Parisians. With time running out, Fury must take out the sniper but soon learns that all is not what it seems and that alliances are fleeting. Multi-Eisner nominee Billy Tucci (Shi, Sgt. Rock) and rising star Emma Kubert recapture the spirit of the original "Cat Woman" Marla Drake and her legendary cast of characters as they battle inside the heart of Hitler's Third Reich in vein of an all-female "Inglourious Basterds."

Pandora's army is here. The Earth is defenseless and war has arrived. Scarab, in Earth orbit, faces the might of the invaders firsthand, while Samson attempts to hold back an overwhelming force alone. Meanwhile, at the hospital bed of a wounded child, Black Terror must hold the line against the horrifically transformed Deaeth-Defying Devil. Pandora wants the girl Imani dead. But why?

THE CREATOR OF **LEGALLY BLOND** AND **10 THINGS I HATE ABOUT YOU** PRESENT A NEW 12-ISSUE SERIES!

There are certain things Brenda expects to find while hacking: money, secrets, occasional pictures of cats. She is NOT expecting to find a cryogenically frozen master thief from the 60s.

Mia is everything Brenda is not—cool, confident, beautiful. And utterly unprepared for the digital age. Despite their differences, the two will need to team up to find out what happened to Mia—and how to pull off the heist of the century.

Kirsten "Kiwi" Smith and **Kurt Lustgarten** *(Misfit City)* team with breakout artist **Leisha Riddel** *(Project Solace)* in a story about felonies and friendship.

Horror sensation **Cullen Bunn** *(Harrow County, Bone Parish)* returns to the world of Empty Man with artist **Jesús Hervás** *(Lucas Stand, Clive Barker's Hellraiser)* in this new ongoing series.

The nation is in the grip of a terrible pandemic. The so-called Empty Man disease causes insanity and violence. Government quarantines are mandatory.

One of the afflicted is Melissa Kerry, and the next step should be to quarantine her—but those who enter quarantine are never seen again. Melissa's family won't let that happen. All they have to do is care for her, keep her worsening condition a secret—and they'll do anything, trust anyone, to keep her safe.

IT'S THE PHANTOM OF ELMORE! All Darwin wants is a starring role in Elmore Junior High's latest theatrical production—except he accidentally helps unleash a curse on the school by speaking the name of the play that was so horrific, it gave a student a mortal case of stagefright. When students start falling victim to the sickness caused by the curse, Gumball and Darwin must do everything in their power to complete the show and cure their fellow classmates.

Join writer **Megan Brennan** *(Steven Universe, Pencil Pup)* and artist **Jenna Ayoub** *(Lumberjanes/Gotham Academy)* as Elmore's favorite pair of siblings discover what it truly takes to fulfill theater's greatest promise: the show must go on!

PREVIEWS VIDEO GAME MONTH INTERVIEWS

Video games have often been considered the "enemy" of comics, drawing readers away from comics for the glow of arcade and home screens. But somewhere along the way, video games became fodder for the comics, drawing gamers away from their screens and back to the four-color page! Years later, they're seemingly inseparable now, with dozens of video game-based comics on the market.

This month, in honor of our VIDEO GAME MONTH theme, we reached out to creators to ask them about the video game comics they're working on, their favorite games, characters, and more!

BOX BROWN

WRITER

***PREVIEWS**: What are you currently working on?*

Box Brown: I am currently working on my book *Cannabis: The Illegalization of Weed* and another fiction book called *Child Star*, about an '80s/'90s child actor.

***P**: What video game properties are you working on right now, or have you worked on in the past?*

BB: I did a book called *Tetris: The Games People Play* (AUG161648) about the history of the creation of the video game Tetris.

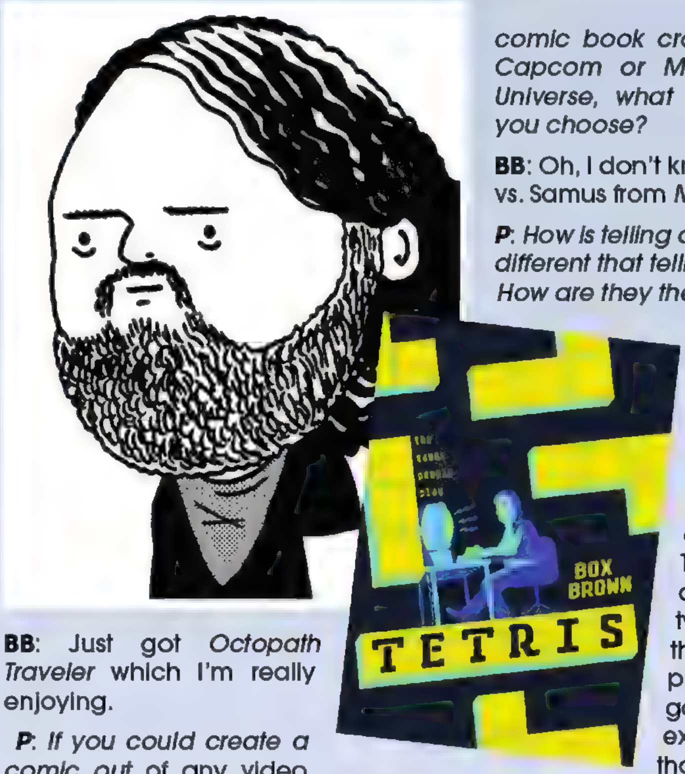
***P**: Are you a PC or console gamer? Which console do you prefer?*

BB: Mostly PC right now. My Nintendo Switch is getting a lot of miles.

***P**: What video game started your passion for gaming?*

BB: It goes way back... almost before I remember. I have vague memories of playing an all text PC game with my uncle when I was like 3 or 4. I got a Nintendo when it came out in 1985, I was 5 and I've been playing ever since.

***P**: What current release is taking up your free time?*



BB: Just got *Octopath Traveler* which I'm really enjoying.

***P**: If you could create a comic out of any video game property, which one would you choose?*

BB: *The Legend of Zelda*! The greatest video game series of all time! I have bought entire consoles just to play *Zelda* many different times; owned multiple versions of the same games. I can't get enough!

***P**: If you could create a video game comic book crossover like Marvel vs. Capcom or Mortal Kombat vs. DC Universe, what two properties would you choose?*

BB: Oh, I don't know... maybe She-Hulk vs. Samus from *Metroid*?

***P**: How is telling a story in a video game different that telling a story in a comic? How are they the same?*

BB: I think a lot of times in a video game you want to act out a lot of trivial things. You want your character to walk over to the dresser and change clothes for 45 minutes. That doesn't happen in comics. In comics that type of stuff happens in the space between the panels. I think a lot of games have these long, extended cut-scenes that feel like comics. But I also don't love them and wish they'd get rid of them!

***P**: Who is your favorite character from a video game and why?*

BB: One of them is Kuribo's Shoe from *Super Mario Brothers 3*. For some reason we all loved that character and part of the game. We would pretend to be in Kuribo Shoe when we played!

ALEŠ KOT

WRITER @ TITAN COMICS, IMAGE COMICS

***PREVIEWS**: What are you currently working on?*

Aleš Kot: I'm currently working on *Bloodborne: The Healing Thirst* (Issue #1A/AUG182258), the second story arc of the ongoing *Bloodborne* comics / graphic novel series, as well as *Days of Hate* (Vol. 1/MAY180060), a 12-chapter Image Comics series about guerilla war against the white supremacy in near future United States, and *The New World* (Vol. 1/MAY188818), a 5-chapter series about a reality TV star cop and an anarchist hacker who fall in love with each other and have to run from the world that wants to put them into cages — also from Image. And also some other, as of yet unrevealed stuff in comics, film, and television!

***P**: What video game properties are you working on right now, or have you worked on in the past?*

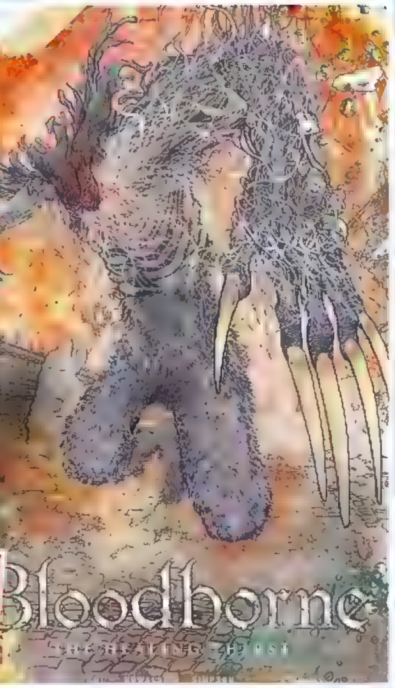
AK: *Bloodborne*! And it's a delight. Currently writing a story set in the time shortly before the terror truly descended. Religion and science clash as more and more become infected. Terrible decisions are made. Everything decays.

***P**: Are you a PC or console gamer? Which console do you prefer?*

AK: I grew up with a Sega MegaDrive, a PC, and then a PS2. Nowadays I only own a Playstation 4, which I love quite a bit. Plus, I get some games for my Mac via Steam. Apart from that... I'm looking forward to getting a Playstation 3 to replay some classics, as well as a gaming PC, but that's further in the future!

***P**: What video game started your passion for gaming?*

AK: *Another World*, maybe? I'm not 100% sure because I don't remember what my first game was...



***P**: What current release is taking up your free time?*

AK: *God of War IV*.

***P**: If you could create a comic out of any video game property, which one would you choose?*

AK: *Bloodborne*, so I'm already doing it! *Silent Hill* takes the second place.

***P**: If you could create a video game comic book crossover like **Marvel vs. Capcom** or **Mortal Kombat vs. DC Universe**, what two properties would you choose?*

AK: Trying to answer this question made me feel tired. I don't think I'd like to do that, but I remain open to the possibility should a sufficiently creatively interesting endeavor ever come along.

***P**: How is telling a story in a video game different that telling a story in a comic? How are they the same?*

AK: In comics, the reader has deep control over the flow of time and thus a large part of the storytelling experience. In games, the player gives up a large part of that control for the sake of deeper interactive immersion via identification with the character(s), situation, or both. In both, emotional engagement is largely key, followed by a sense of surprise and inviting tempo.

***P**: Who is your favorite character from a video game and why?*

AK: James Sunderland from *Silent Hill 2*. A complex character that recalls the best of Dostoevsky's fiction. So much about James becomes defined and understood only through the player's actions. The character exists within a sphere of true interactivity, and that interactivity is largely hidden in ways that inspire and open up imagination.

CULLEN BUNN / DALIBOR TALAJIČ

AFTERSHOCK ORIGINAL GRAPHIC NOVEL

Witch. The word conjures images of hags in black robes and crooked hats, standing over cauldrons of bubbling brew. But witches are among us, and we do not realize it. They are our friends and neighbors. They are our family members. They are our idols.

And someone is murdering them.

Agents Frontenac and Guinness are on the killer's trail. But as they delve deeper into the hidden, magical world around them, they are haunted by a terrifying question. Is the killer doing the right thing?

"THE WAREHOUSE"

So these two FBI agents walk into a warehouse...

Special Agents Shaw and McGregor handle the routine cases nowadays, which is just the way Shaw likes it. She's pushing 40, a borderline burnout, the ghastly memories of her last investigation still clinging like shadows. McGregor is younger, more dedicated, hanging onto some measure of idealism whatever the world might throw at him. When two fellow agents go missing inside a Long Beach warehouse, Shaw and McGregor are sent to investigate. But what they find waiting is far from routine, as the local police have already discovered to their cost. Before the night is out, our heroes will encounter terror beyond their most appalling nightmares—in a place where the night may never end at all.

A new kind of horror story for modern America, written by Garth Ennis (*Preacher, The Boys, Crossed*) and drawn by Goran Sudžuka (*Y: The Last Man, Hellblazer*).

Nick knows he's no hero, so he says thanks to the Lollipop Kids for all of the bad memories, and heads out of the park, back to his old, safe, boring life.

But something follows Nick, a GREMLIN named EXPO. Nick almost kills Expo, but FRESNO stops him and explains that the Gremlin is on their side, not all monsters are evil. Fresno gives Nick one last chance to join their ranks and to fulfill his destiny, but Nick's soiled pants tell him all he needs to know.

Nick leaves again, but soon he stumbles upon something much worse than a gremlin—and this time NOBODY is coming to his rescue.

Brought to life by Adam and Aidan Glass (ROUGH RIDERS, THE NORMALS, DC Comics *Teen Titans*) with art from Diego Yapur (*The Night Projectionist, Priest: Purgatory*), THE LOLLIPOP KIDS is an epic tale of the nightmares that haunt Central Park after dark...

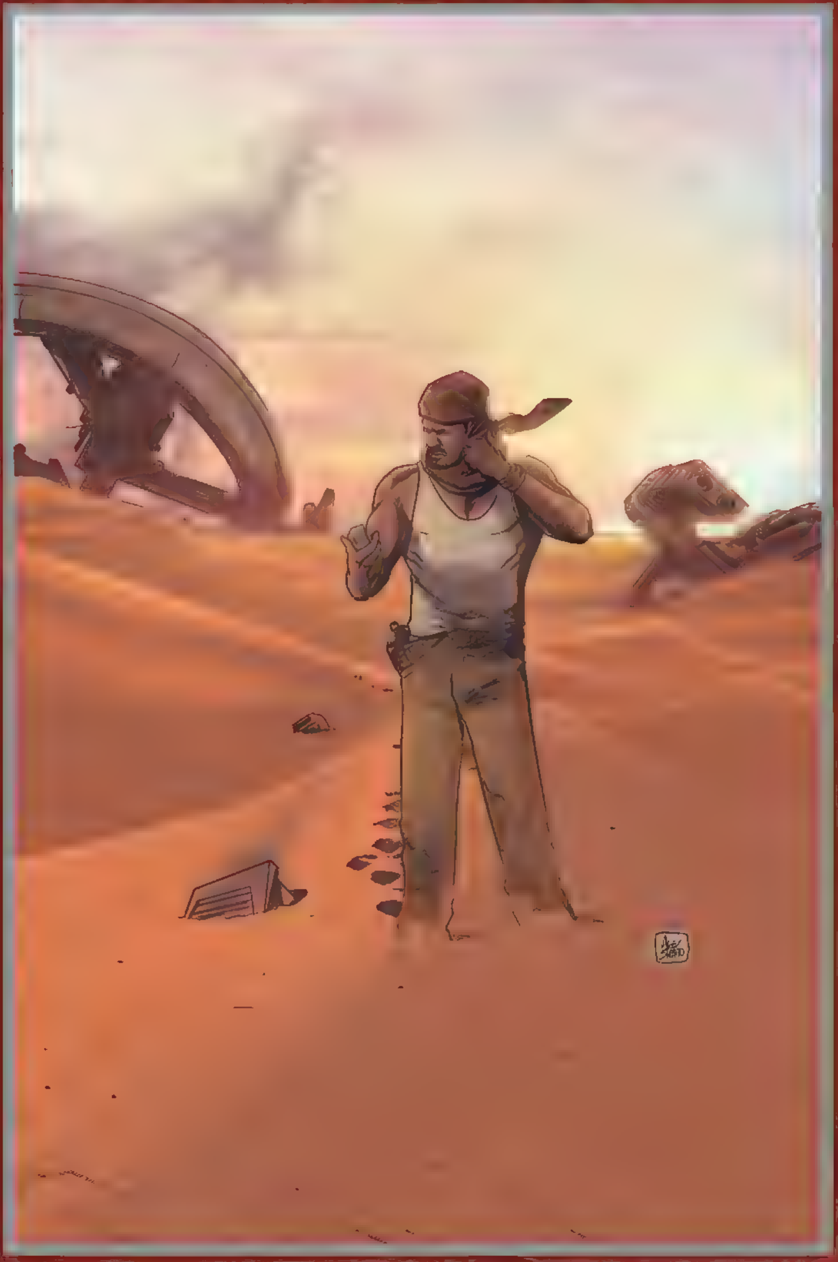
THE LAST SPACE RACE #2

PETER CALLOWAY / ALEX SHIBAO



It started as an anomaly—an outlier in the noise that's so common in astronomical data. But the truth sends the United States—and the world—careening into what will become humanity's LAST SPACE RACE.

A challenger appears!

Sasha Balodis isn't the only one that desires to discover the secrets waiting beyond the orbit of Saturn. His business rival Roger Franklin wants in—and if he doesn't get what he wants he'll tear the whole thing down.

Written by Peter Calloway (TV's *Legion, Cloak & Dagger, Under the Dome*) and drawn by Alex Shibao (*Independence Day*), THE LAST SPACE RACE is an imaginative investigation into humankind's grandest purpose—a truly original story AfterShock couldn't be more fired up to tell.

"OLD GODS"

The wickedness of mankind has moved the Creator to destroy the world by way of the flood!

Two arks sail this flooded world. On one, Noah tends the animals of the natural world. On the other, the sorcerer Shrae stands watch over the monsters that haunt the night. But for Shrae's charges to thrive in the World That Waits, Noah's Ark must also survive. And when Noah's vessel encounters trouble, Shrae's monsters must work in secrecy to ensure that their would-be prey find land.

From writer Cullen Bunn (*X-Men Blue, Deadpool, Venom*) and artist Juan Doe (AMERICAN MONSTER, WORLD READER) comes a sinister tale of biblical proportions that AfterShock has been commanded to tell.

HOPE TP

Recommended by Leigh Tyberg

It was 1995. I was eleven or twelve, and my mother hated accompanying me into our local comic book shop. To avoid the cramped space as much as she could, she wrote a note, letting the nice people who worked there know that I could read whatever I wanted. So I did what any kid with carte blanche to do what they wanted would do.

I read the things I shouldn't have been reading. Most notably, old issues of *Hellblazer*.

Thus started a life-long search for comics that are equally as chilling, equally as entertainingly unsettling as that first Jamie Delano run, and the Garth Ennis single issues I picked up after that.

Rebellion's *Hope* fits that bill very nicely.

Set in stark, sundrenched post-war Hollywood, *Hope* tells the story of Mallory Hope, a private investigator who uses magic (for better or for worse) to help him solve the murder of a famed child star. He carries with him a penchant for getting into trouble and the pain that the abuse of magic often brings in tales such as this. As in many urban fantasies, magic comes with a price tag that will set your hair on end.

A meld of noir and urban fantasy, *Hope* takes readers from the glitz and glam of Hollywood to its seedy underbelly, detailing the dangers of greed, fame and power.

An engaging mashup of *The Fadeout* and *Hellblazer*, *Hope* is a chilling tale of old Hollywood murder and magic.

Characters from Aspen's most critically-acclaimed titles unite—EXECUTIVE ASSISTANT IRIS, Soulfire's MIYA, the supernatural vigilante DELLEC, along with an exciting new cast of characters come together in this altogether different story--yet one thing is certain—their respective lives are in no less danger! A mysterious conglomerate has emerged on the scene with a sinister purpose—the incorporation of pure evil on a scale never seen before! But, will this collection of unstable personalities come together as friends to defeat this new adversary—or will they instead battle as foes?!

This incredible new trade paperback collects together the entire first volume of NO WORLD along with a complete cover gallery and is the perfect addition for any new or returning Aspen Universe fan!

Introducing Remi, a young and energetic explorer and relic hunter, whose boundless curiosity leads to a startling discovery beyond anything she could have imagined!

Some time has passed since the tragedy of issue one, as Remi attempts to make sense of the clues her father left behind. However, even in a new village surrounded by new acquaintances, Remi discovers that the ruling Akolouth Clerics will stop at nothing to shroud all kingdoms in their brand of religious devotion. They also will stop at nothing to hunt her down and kill her!

An all-new Aspen Comics action-adventure epic debuts from the mind of creators J.T. Krul (Michael Turner's Soulfire, Jirni) and Vince Hernandez (Michael Turner's Fathom: Kiani, Charismagic) with breathtaking illustrations from newcomer Romina Moranelli!

Alan Moore's WRITING FOR COMICS

Vol 1

Retail Price: $5.95 • Writer: Alan Moore • B&W, 48 pages

About: A new printing of the timeless master-class in sequential storytelling! The maesto of comic book writing shares his thoughts on how to deliver a top notch script! The main essay was originally written in 1985 and appeared in an obscure British fanzine, right as Moore was reshaping the landscape of modern comics, and had been tragically lost ever since. But it's all here, collected as one tome, and heavily illustrated by Jacen Burrows. Alan Moore also provides a brand new essay on how his thoughts on writing have changed in the two decades since he first wrote it. For fans of Moore's work, new writers, or anyone who wants a peak behind the mental curtain of one of the greatest living writers, this is a can't miss book!

Kat had no responsibilities and nothing to tie her down. But she had graduated university with no plans. She was an artist who hadn't drawn in five years. She was lost. What's more, she'd been avoiding admitting to herself something that all of those around her knew; that her boyfriend, Richard, had some serious problems with alcohol. Looking for a fresh start, the two of them quit their jobs and embarked on a journey to Mexico for what what they expected to be an adventure of a lifetime. It led to experiences that changed both of their lives and to Kat rediscovering a love of art, a lifelong attachment to Mexico and the strength to move on. *Follow Me In* is part memoir, part coming of age story, part love letter to Mexico and is undoubtedly a major work from one of the best illustrators and comics makers in the UK. RETROGRADE ORBIT GN
(W/A/CA) Kristyna Baczynski
At the outer edge of the solar system, on the mining planet Tisa, Flint and her mother live in the colony of Swift Springs. Displaced by a nuclear event, Flint's family settled in Swift Springs two generations ago to become miners. Soon Flint will be old enough to begin her apprenticeship at the refinery. But is the home that her family has built for her enough, or will a mysterious, irradiated planet pull her away from them? By following in their footsteps and leaving to forge a new path, is she betraying her family or honoring their legacy? Exploring notions of home and the desire to leave it, Kristyna Baczynski's first graphic novel is a story of relationships, of time, and of the motion of the universe. (STL098340) (C: 0-1-0)

FIRE & BLOOD: 300 YEARS BEFORE A GAME OF THRONES HC
(W) George R. R. Martin
(A) Doug Wheatley
The thrilling history of the Targaryens comes to life in this masterly work by the author of *A Song of Ice and Fire*, the inspiration for HBO's *Game of Thrones*. Centuries before the events of *A Game of Thrones*, House Targaryen, the only family of dragonlords to survive the Doom of Valyria, took up residence on Dragonstone. *Fire and Blood* begins their tale with the legendary Aegon the Conqueror, creator of the Iron Throne, and goes on to recount the generations of Targaryens who fought to hold that iconic seat, all the way up to the civil war that nearly tore their dynasty apart. Readers have glimpsed small parts of this narrative in such volumes as *The World of Ice & Fire*, but now, for the first time, the full tapestry of Targaryen history is revealed. (W) Dave Rudden

Twelve extraordinary *Doctor Who* stories, each featuring a monstrous villain from the *Doctor Who* world. On every planet that has existed or will exist, there is a winter. Many of the peoples of Old Earth celebrated a winter festival. A time to huddle together against the cold; a time to celebrate being half-way out of the dark. But shadows are everywhere, and there are some corners of the universe which have bred the most terrible things, lurking in the cold between the stars. Here are twelve stories, one for each of the Twelve Days of Christmas, to remind you that to come out of the darkness we need to go into it in the first place. (STL085189)

From Sarah Jane Smith to Bill Potts, from Susan Foreman to the thirteenth Doctor, women are the beating heart of *Doctor Who*. Whether they're facing down Daleks or thwarting a Nestene invasion, these women don't hang around waiting to be rescued; they roll their sleeves up and get stuck in. Scientists and soldiers, queens and canteen workers, they don't let anything hold them back. Featuring historical women such as Agatha Christie and Queen Victoria alongside fan favorites like Rose Tyler and Missy, *The Women Who Lived* tells the stories of women throughout space and time. Beautifully illustrated by a team of all-female artists, this collection of inspirational tales celebrates the power of women to change the universe. (STL087501) (C: 0-1-0)

DOCTOR WHO: THE EARLY ADVENTURES: AN IDEAL WORLD AUDIO CD

(W) Ian Potter (CA) Tom Webster

Starring Maureen O'Brien as Vicki and Peter Purves Steven Taylor. Many light years from Earth, a vast human spaceship hangs in orbit over a cloudy alien planet. The crew have been traveling in cryosleep for many years, looking for a habitable world to settle, and have at last located one with potential. However, they're not the only people to have arrived in this place. The TARDIS has landed on the planet's surface. The Doctor, Steven and Vicki explore and quickly find themselves separated. But it isn't merely the hostile environment and rogue terraforming drones they'll have to deal with. Something else is living on this world. Something deadly and waiting to consume. It's an ideal world. But ideal for whom? (STL098533) (C: 0-1-0)

"We Are The Danger is a comic that gets what a story about rebellion and music should be... If quirky stories about friendship and not fitting in are your thing, do yourself a favor and pick up We Are The Danger."
-The Beat

Starting as the new girl in your senior year of high school is never easy, and Julie Malliari is having a terrible first day— until she meets Tabitha. After a night out at a rock show, their friendship quickly grows and, before they know it, the two form a band with their sights set on a record deal... they just need to win it in a nationwide Battle of the Bands competition.

With Tabitha's rival keen to take the prize for herself, it's a battle not to be missed…

From artist and writer Fabian Lelay *(Jade Street Protection Services)*, colorist Claudia Aguirre *(Kim & Kim)*, and letterer Taylor Esposito comes this exuberant tale of friendship, growing up, and rock n roll.

When an entrepreneur with a god complex creates a technology that allows two minds to share one body, he doesn't anticipate the degenerative effects of long-term trials.

Come Into Me is a contemporary comment on connected culture and our longing for approval in the digital age. This is a world where technology and flesh become indistinguishable. From Zac Thompson & Lonnie Nadler *(The Dregs, Cable, X-Men Black)* and Piotr Kowalski (Image Comics' *SEX)*, prepare yourself for the insane lovechild of *The Fly* and *Eternal Sunshine of The Spotless Mind*. THE COMPLETE MATINEE JUNKIE: FIVE YEARS AT THE MOVIES SC

(W/A/CA) Jordan Jeffries

The Complete Matinee Junkie collects the entire run of Jordan Jeffries' ongoing comic series, plus a full year of new material. Part autobiography, part cultural review, *Matinee Junkie* contains entries for every movie the author saw in theaters each year, with the complete collection spanning almost 250 movies over five years, from 2013-2017. In-depth rants about bland cinematography and stories of nightmarish theater experiences combine with five years' worth of autobiography, reflecting the way our own lives intersect with the stories we love to lose ourselves in. VALERIAN: THE COMPLETE COLLECTION VOLUME 7 HC

(W) Pierre Christin
(A/CA) Jean-Claude Mezieres

The last volume of this magnificent collection, which includes the final three books of the main saga, bringing to a close the adventures of Valerian, Laureline and the vanished Earth in style. Mézières and Christin have done something that almost no one had done before: after 43 years at the helm, they decided of their own accord to conclude the adventures of their heroes. The three titles in this volume (*At the Edge of the Great Void*, *The Order of the Stones*, and *The Time Opener*) bring things full circle and establish the definitive end of the story. As the extras explain, the very nature of their universe, full of time travel and the occasional paradox, leaves the door wide open to new possibilities: anthologies of flashbacks, one-shots by other creators, and adaptations in different media, such as ... cinema! SINK VOLUME 1: WELCOME TO GLASGOW TP

(W) John Lees (A/CA) Alex Cormack

Killer clowns in a blue van, shovel-wielding fox-masked vigilantes, and the last bus you'd ever want to ride... You must be in Sinkhill! *SINK* Volume 1: *Welcome to Glasgow* collects the sold-out, smash hit first volume of the crime horror series Big Comic Page calls "brutal, shocking, and packed with a creeping sense of dread that will linger long after you've finished reading." You'll enter a forgotten East End district of a warped funhouse mirror vision of Glasgow, Scotland. Sinkhill is a hive of crooks, deviants and killers, and ordinary folk unfortunate enough to live among them. (STL076577)

THE VAGABOND VALISE SC

The first graphic novel from a founding father of the Quebec comix underground. A poignant account of an alcoholic father who drags his family into misfortune, *The Vagabond Valise* is the heart-breaking autobiographical story of Siris, represented by his chicken-headed alter ego. Siris paints a sincere and poetic portrait of a troubled childhood spent in and out of foster homes, and the working-class, post-war Quebec where it took place. Winner of the Quebec Graphic Novel of the Year. (STL098416)

STRANGER THINGS: WORLDS TURNED UPSIDE DOWN: THE OFFICIAL COMPANION HC

(W) Gina McIntyre

The definitive, fully illustrated official companion to *Stranger Things*, detailing every aspect of the show's development from page to screen. A journey deep into the story of *Stranger Things*, this definitive behind-the-scenes companion reveals every aspect of the Emmy-winning series that rekindled everyone's nostalgia for the 80s. Brought to life with exclusive color photos and gorgeous concept art, this volume is essential for any fan, exploring the show's development from page to screen. **Note:** The distressed look of the cover is intentional (as if the book were a 1980s relic from a library or used bookstore). The book will be wrapped in a protective Mylar wrap. Consumers will be alerted by a removable sticker on the packaging. (STL098555) (C: 0-1-0)

LARK'S KILLER #12

(W) Bill Willingham
(A) Travis Moore, Shawn McManus
(CA) Travis Moore

"The Trouble With Monsters." We sadly interrupt the thrilling conversation between Lark, Brenar, and the wizard Ulmore because the monster has burst in. And, as we know from Miss Primsy Proper's Book of Etiquette for Every Occasion, once the monster bursts in, all conversations should be suspended until after the dance. And oh what a dance it is. Flashing blades! Blinding spells! Teeth and fangs! And (if we have room), maybe an unplanned inferno. Also the thrilling backup story "My Monstrous Life" continues. (STL098357)

Explore the beginning of Leia's participation in the Rebellion and the origin of her friendship with Amilyn Holdo from *The Last Jedi!* Sixteen-year-old Princess Leia Organa faces the most challenging task of her life so far: proving herself in the areas of body, mind, and heart to be formally named heir to the throne of Alderaan. But Leia has worries beyond her claim to the crown. Her parents, Breha and Bail, aren't acting like themselves lately; they are distant and preoccupied. Determined to uncover her parents' secrets, Leia starts down an increasingly dangerous path that puts her right under the watchful eye of the Empire. And when Leia discovers what her parents and their allies are planning behind closed doors, she finds herself facing what seems like an impossible choice: dedicate herself to the people of Alderaan or to the galaxy at large! BEVERLY GN

(W/A/CA) Drnaso, Nick

A darkly funny portrait of Middle America seen through the stunted minds of its children. The modern lost souls of *Beverly* struggle with sexual anxieties that are just barely repressed, and social insecurities that undermine every word they speak. Time passes, bodies change sizes, realities blur with fantasies, truths disintegrate, childhood comforts turn uncomfortable. Again and again, the civilized façades of Nick Drnaso's pitch-perfect suburban landscapes crack in the face of violence and quiet brutality. Drnaso's debut graphic novel, *Beverly*, leaves you haunted and squirming and longing for more. (STK693168)

CRAIG THOMPSON

BLANKETS GN

(W/A/CA) Craig Thompson

Blankets is the story of a young man coming of age and finding the confidence to express his creative voice. Craig Thompson's poignant graphic memoir plays out against the backdrop of a Midwestern winterscape: finely-hewn linework draws together a portrait of small town life, a rigorously fundamentalist Christian childhood, and a lonely, emotionally mixed-up adolescence. Under an engulfing blanket of snow, Craig and Raina fall in love at winter church camp, revealing to one another their struggles with faith and their dreams of escape. This groundbreaking graphic novel, winner of two Eisner and three Harvey Awards, is an eloquent portrait of adolescent yearning; first love (and first heartache); faith in crisis; and the process of moving beyond all of that. LOVE THAT BUNCH HC

(W/A/CA) Aline Kominsky Crumb

Aline Kominsky-Crumb immediately made her mark in the Bay Area's underground comix scene with unabashedly raw, dirty, unfiltered comics chronicling the thoughts and desires of a woman coming of age in the 60's. Kominsky-Crumb traces her steps from a Beatles loving fangirl, East Village groupie, an adult grappling with her childhood, an 80s housewife and mother, to a new 30-page story Dream House that looks back on her childhood, 40 years later. Collecting comics from the 1970s through today, *Love That Bunch* is shockingly prescient while still being an authentic story of its era. (STL079459)

ADRIAN TOMINE
NEW YORK POSTCARDS
30 Illustrations From the Pages of The New Yorker and Beyond

NEW YORK POSTCARDS BY ADRIAN TOMINE

(A/CA) Adrian Tomine

Adrian Tomine has forged countless iconic images of New York City in his career as an illustrator. A master of conveying an entire story with a single panel, his covers for the *New Yorker* are beloved by New Yorkers and non-New Yorkers alike, as much for their frank yet charming portrayal of life in the big city as for their flawless design and gorgeous linework. This postcard set celebrates thirty of Tomine's most well-known illustrations, and is a loving homage to the city that Tomine, a West Coast transplant, has called home for the past eight years. Scenes from an Impending Marriage

SCENES FROM AN IMPENDING MARRIAGE HC

(W/A/CA) Adrian Tomine

At the behest of his soon-to-be wife, Adrian Tomine set out to create a wedding favor for their guests that would be funnier and more personal than the typical chocolate bars and picture frames. What started out as a simple illustrated card soon grew into a full-fledged comic book: a collection of short strips chronicling the often absurd process of getting married. A loose, cartoony departure from Tomine's previous work, *Scenes From An Impending Marriage* is a sweet-natured, laugh-out-loud skewering of the modern marriage process, including hiring a DJ, location scouting, trips to the salon, suit fittings, dance lessons, registering for gifts, and managing familial demands. MOOMIN BEGINS A NEW LIFE GN

(W/A/CA) Tove Jansson

MOOMIN BEGINS A NEW LIFE

When a charismatic prophet comes to town, the residents of Moominvalley are easily convinced to follow his doctrine for true happiness. Intrigued by their friends and neighbors' lifestyle changes, the impressionable Moomins find themselves attempting to adopt the teachings of their new spiritual leader. But the freer they get, the more miserable they feel. Moominvalley's state of divine chaos is further complicated by the prophet's well-intentioned decree to free all of the jail's inmates. *Moomin Begins a New Life* is an eccentric all-ages adventure from the acclaimed Finnish cartoonist Tove Jansson that explores the appeal of self-transformation and the pursuit of happiness. Tove Jansson's *Moomin* stories made her one of the most beloved Scandinavian authors of the 20th-century. Jansson's whimsical tales of Moominvalley resonate with children for their light-hearted spirit, and with adults for their incisive commentary on the banality of everyday life. Drawn & Quarterly celebrates the centenary of Jansson's birth with *Moomin: The Deluxe Anniversary Edition*, a slipcased, hardcover collection of the complete Tove Jansson-penned *Moomin* comic strip, replete with all of her most popular storylines and original pencil sketches. UNCOMFORTABLY HAPPILY GN

(W/A/CA) Yeon-Sik Hong

With gorgeously detailed yet minimal art, cartoonist Yeon-Sik Hong explores his move with his wife to a small house atop a rural mountain, replacing the high-rent hubbub of Seoul with the quiet murmur of the country. With their dog, cats, and chickens by their side, the simple life and isolation they so desperately craved proves to present new anxieties. Hong paints a beautiful portrait of the Korean countryside, changing seasons, and the universal relationships humans have with each other as well as nature, both of which are sometimes frustrating but always rewarding. *Uncomfortably Happily* is translated by American cartoonist Hellen Jo from the acclaimed *Manhwa Today* award-winning Korean edition. EDGAR RICE BURROUGHS, INC

THE WILD ADVENTURES OF EDGAR RICE BURROUGHS: UNTAMED PELLUCIDAR

(W) Lee Strong (A/CA) Doug Klauba

Northern Russia 1924: The Red Army is eliminating those who resist the fledgling Soviet government. At the Battle of the Plutonian Plain, the White Russian forces, aided by wily American Edgar Rice Burroughs, do not fall, instead retreating into the dangers of Pellucidar. Comrade Trotsky, the Soviet leader, sends his troops to hunt them down and destroy them. Mikhail Kirillivitch Kirov, a young conscript caught up in this mad scheme, is fascinated by this new world. Formerly a student anthropologist, he finds Pellucidar's Stone Age landscape and inhabitants a revelation, until he's grabbed by a mammoth Ska I and flown back to its aerie to feed its giant offspring. Thus begins Kirov's astounding adventure in the Northern environs of Pellucidar. It's a tale in the grand tradition of Edgar Rice Burroughs' epic adventures at the Earth's Core. HIERONYMUS & BOSCH HC

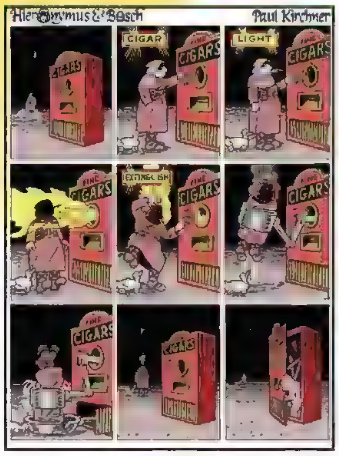
(W/A/CA) Paul Kirchner



INTERIOR ART SHOWN

Meet the medieval miscreant Hieronymus and his wooden duck Bosch. Since their tragic-comic death they are both living in a cartoonish Hell where lakes are made of lava (or, more often, poop) and an army of mischievous spiky-tailed devils go around playing pranks on their inmates. Despite many gag-filled attempts at escaping this literal hell, Hieronymus and Bosch always end up being the butt of their guards' most humiliating and painful jokes. This book puts together about a hundred one-pagers filled with hilariously surrealistic and scatological gags by American comic book artist Paul Kirchner, inspired as much from medieval depictions of Hell as from the zany humor found in Warner Bros. cartoons such as the Road Runner Show. THE COMPLETE MATINEE JUNKIE

Recommended by Jim Fallone

I have been a fan of Jordan Jeffries since following his work on Bonn Ray's *Overheard* in the local paper here in Baltimore. In many ways his strip *Matinee Junkie* has a similar feel, snippets of conversation overheard while waiting in line for a movie – random thoughts of plotlines said out loud. But this is a case where the sum total of the individual parts because the world is made up of these strings of sentences collected into paragraphs in turn collected into chapters which are then collected into the plot of our lives. By collecting these individual moments of Jeffries' subtle and sensitive strip into a single tome *The Complete Matinee Junkie* achieves something wonderful, it comes to life – or more accurately it becomes a life.

Though ostensibly about film Jeffries doesn't really give us reviews but rather shows us how films subtly, almost imperceptibly informs our lives. We see a moment of frustration during the credits of *Call Me By Your Name* as audience members stand up to leave despite the actors continuing to emotionally perform as the titles scroll subtly echoing frustration outside the theater as indifference of the Supreme Court allows gay couples to be denied wedding cakes. In another moment taking advantage of a rental car we follow a wonderful weekend of adulthood doing chores and visiting old friends reminding us of how as we grow up lives tend to drift apart leading to the desire to close the evening with the nostalgic innocence of a children's movie in the bittersweet last panel.

In *The Complete Matinee Junkie* we don't see films reviewed but instead we see life reviewed from the perspective of the film we choose to watch and allow to be projected over us.

Highly recommended.

I AM YOUNG

By M. Dean

$19.99 / HC / 108 pgs / FC / 8" × 11"

I Am Young is a series of short stories tied together by one central story about two teenagers who meet and fall in love after a Beatles concert in 1964. Throughout the 1960s, they grow up and keep their relationship going and, like the Beatles, by 1970 Miriam and George's relationship is on the rocks. *I Am Young* is ripe with ideas about how relationships evolve, both interpersonal relationships and our relationships with the culture around us. The book is rounded out with several other stories that are tied closely together, even while Dean experiments beautifully with style and storytelling devices that suit each individual piece.

PARALLEL LIVES

By Olivier Schrauwen

$19.99 / Flexibound / 128 pgs / FC / 9" × 12"

From one of the world's most celebrated cartoonists comes this unique collection of six wildly inventive short stories, each a surrealist *tour de force* that might collectively be dubbed "speculative memoir." In spite of all rational perception, and in spite of the author's predilection for cartoon surrealism, *Parallel Lives* glows and hums and pulsates like a portal to another reality, and is the latest masterpiece in one of comics' most distinctive bodies of work.

JAMES WARREN, EMPIRE OF MONSTERS: THE MAN BEHIND CREEPY, VAMPIRELLA, AND FAMOUS MONSTERS

By Bill Schelly

$29.99 / HC / 272 pgs / FC / 6" × 9"

Fantagraphics presents the long-awaited biography of James Warren, visionary publisher of magazines such as *Famous Monsters of Filmland, Help!, Creepy* and *Eerie*, which often featured early works by Wallace Wood, Steve Ditko, Alex Toth, Bernie Wrightson, Al Williamson, Terry Gilliam, Robert Crumb, Frank Frazetta and many others. Warren's most famous creation was the sensual Vampirella who debuted in 1969, and who continues to be published today. *Empire of Monsters* features numerous outrageous anecdotes about Warren, a larger-than-life figure whose ability as a publisher and provocateur makes him a fascinating character study.

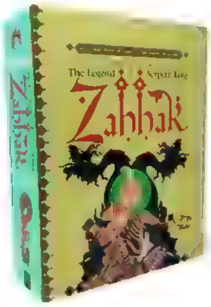
DOCTOR OF HORROR
GRAHAM INGELS

DOCTOR OF HORROR AND OTHER STORIES

By Graham Ingels and Al Feldstein

$29.99 / HC / 224 pgs / BW / 7.25" × 10.25"

This volume features "Ghastly" Graham Ingels's earliest EC crime and horror work, from the pages of *Tales From the Crypt, Haunt of Fear, Crime SuspenStories*, and *War Against Crime*. Highlights in this volume include Ingels's very first EC story, two Ingels adaptations of stories by Edgar Allan Poe and EC's first adaptation of a Ray Bradbury story. As with every book in the Fantagraphics EC line, *Doctor Of Horror And Other Stories* enhances the reader's experience with historical and biographical detail from EC experts.



ZAHHAK: THE LEGEND OF THE SERPENT KING

By Hamid Rahmanian and Simon Arizpe

$39.99 / HC / 18 pgs / FC / 10" × 7.5"

Certified Cool

For the first time ever, a tale from the Persian Book of Kings springs to life in this stunning and ingenious pop-up book. *Zahhak: The Legend of the Serpent King* retells the myth of the misguided Prince Zahhak who murders his father to usurp the throne. Cursed with monstrous snakes that grow out of his shoulders, he rules for one thousand years before being defeated. This fantastic tale literally pops off the page and will delight readers young and old with every turn of the page.

Enter once more the world of Roland Deschain and the world of the Dark Tower. Bringing the dramatic history of Roland into chronological order-as originally published in the modern classic novels *The Gunslinger* and *Wizard and Glass*, *The Gunslinger Born* begins a unforgettable tale with a reckless act of courage that gains Roland his first set of guns and earns him and his friends, Cuthbert Allgood and Alain Johns, a special mission to the town of Hambry, not only for their personal safety but on behalf of the Affiliation, an alliance resisting the ruinous advance of "the Good Man," a monster named John Farson. But the expedition will quickly become Roland's first experience of the evil forces that he will encounter again and again throughout his life, and in a myriad of guises. STEPHEN KING'S THE DARK TOWER: BEGINNINGS VOLUME 4: THE FALL OF GILEAD HC

(W) Peter David & Various
(A/CA) Richard Isanove

The evil deceptions woven by the merciless, mesmerizing power of the mystical seeing sphere known as "Maerlyn's Grapefruit" warped Roland Deschain of Gilead's sense of reality, causing him to unintentionally commit a shocking and unforgivable crime-one that may surely earn him a swift journey to the gallows. But what has happened to Roland is only a taste of the bitter fate for all of Mid-World's noblest defenders, as the violent insanity and destructive scheming of the monstrous "Good Man" John Farson and the inhuman Marten Broadcloak finally culminate in an all-out assault on the city of Gilead itself. STEPHEN KING'S THE DARK TOWER: BEGINNINGS VOLUME 5: THE BATTLE OF JERICHO HILL HC

(W) Peter David & Various
(A/CA) Richard Isanove, Jae Lee

It has been nine years since the fall of Gilead, and the handful of survivors - proud young gunslingers led by Roland Deschain - have been flushed out beyond their homeland's boundaries, where they can only watch as time continues to take its toll. For time is now a cruel instrument of violence ruled by "the Good Man" John Farson and his monstrous followers, who are making their move to dominate all of Mid-World itself. But despite the forces of the Affiliation having long been broken apart, there is still rebellion left in the heart of Roland and his ka-tet. With treachery abounding all around him and the odds overwhelmingly against him, it is time for Roland to make his last stand for all that is good and face John Farson and his corruption of Mid-World head-on-even if he dies trying. Malibu's Ultraverse at 25

The 2018 edition of Comic-Con International: San Diego marked a number of anniversaries, and one definitely worth noting again was the 25th anniversary of Malibu's Ultraverse line.

Ultraverse publisher Dave Olbrich, Editor-in-Chief Chris Ulm and Director of Marketing Tom Mason were joined by a roster of Ultraverse creators including writer/artist Aaron Lopresti (*Sludge*), artist Terry Dodson (*Mantra*), inker Barbara Kaalberg, artist Rick Hoberg (*The Strangers*), BOOM! Studios founder Ross Richie (who worked in Malibu's marketing department), and Ultraverse collector and superfan Robert McGinty, for a celebratory anniversary panel moderated by Gemstone Publishing's own J.C. Vaughn.

Held Friday night, July 20, 2018, the well-attended panel included even more Ultraverse participants in the audience than would fit on the stage. Among the audience members (and seated right up front) was former Malibu chieftain Scott Mitchell Rosenberg, along with artist Larry Welch and many others.

The Ultraverse came about, they said, partially because Malibu knew that Image Comics, which they had actually published during Image's first year, would be soon moving off to be its own publishing entity.

Core writers Mike Barr, Steve Englehart, Steve Gerber, James Hudnall, Gerard Jones, James Robinson, and Len Strazewski joined with Olbrich, Ulm, Mason, Rosenberg and Malibu's Dan Danko to lay the foundation of the universe. Together, with additional help from writer-director Wes Craven, science fiction author Larry Niven, Lopresti, and artist Barry Windsor-Smith, they developed characters, the science, and the direction of the universe.

In addition to the creative direction, they also tried different tactics in marketing, including signs on buses and at bus stops with great art by Dave Dorman (including one stop right outside Marvel), TV commercials and more.

With concept art by the likes of Howard Chaykin and Walter Simonson, the Ultraverse featured interior art by Lopresti, Dodson, Hoberg, Jim Callahan, Norm Breyfogle, Paul Pelletier, Cully Hamner, Darick Robertson, and Jeff Johnson, among many others.

The line made its debut with *Hardcase* #1 and *Prime* #1 on June 15, 1993, followed by *The Strangers* #1 a week later on June 22. Titles like *Freex, Mantra, Prototype, Exiles, Firearm, Sludge, The Solution, The Night Man, Break-Thru, Solitaire, Rune,* and *UltraForce* would follow.

It was an exciting time; 1993 was a truly active year in our field because it also brought us Dark Horse's Comics Greatest World and DEFIANT, among others. In hindsight, though, it was a short-lived era. Malibu was acquired by Marvel in 1994. Although there were Ultraverse toys, an *UltraForce* cartoon show, and more, the Ultraverse quickly faded except in the memories of its fans and collectors.

Whiz Comics #2

Cover Price: 10¢
1972 Overstreet Price: $235
2018 Overstreet Price: $270,000

Known for: The first appearance of Billy Batson, a young boy who gained the ability to turn into the mystical superhero Captain Marvel by shouting the magic word "Shazam!" Captain Marvel would go on to become one of the most popular superheroes of the 1940s, even outselling Superman at times.

Did You Know?: Though carrying a #2, this was actually the first issue of *Whiz Comics;* the previous #1s that Fawcett used to draw up some ad business were both black-and-white ashcan comics that ran under the titles of *Flash Comics* and *Thrill Comics*. Further complicating the matter is the fact that Fawcett mistakingly ran the following issue also with a #2; most will refer to the debut of Captain Marvel/Shazam as "#2(#1)" accordingly.

KRAZY: GEORGE HERRIMAN, A LIFE IN BLACK & WHITE SC

(W) Mike Tisserand
(A/CA) George Herriman

The creator of the greatest comic strip in history finally gets his due-in an eye-opening biography that lays bare the truth about his art, his heritage, and his life on America's color line. A native of nineteenth-century New Orleans, George Herriman came of age as an illustrator, journalist, and cartoonist in the boomtown of Los Angeles and the wild metropolis of New York, and Herriman's *Krazy Kat* cartoons quickly propelled him to fame. Yet underlying his own lifewas a very private secret: known as "the Greek" for his swarthy complexion and curly hair, Herriman was actually African American. Michael Tisserand brings this little-understood figure to vivid life, paying homage to a visionary artist who helped shape modern culture. (STL098352) (C: 0-1-0)

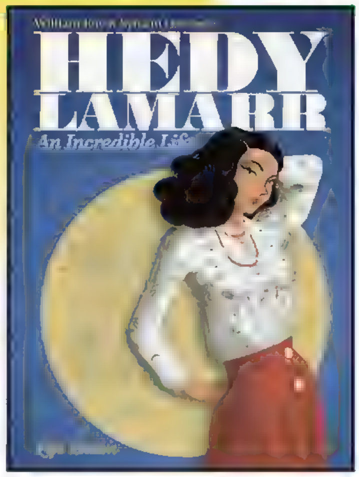
HEDY LAMARR: AN INCREDIBLE LIFE GN



(W) Roy William
(A/CA) Sylvian Dorange

From a childhood filled with curiosity and ambition despite the stereotypes imposed on her, to an abusive marriage that she ingeniously escaped from, to finding her way to stardom in the City of Angels in the face of rampant sexism and harassment, Hedy Lamarr would not only become a glamorous star of the Golden Age of Hollywood, alongside icons like Judy Garland and Clark Gable, but also an unparalleled inventor. She would fashion designs to revolutionize the planes built by Howard Hughes, and come up with a secret communication system that helped the Allies against the Nazis, a technology that would become the blueprint for what we know today as "Wi-Fi." A visionary that never feared going after her goals and defied convention at every turn, Hedy Lamarr was a true woman of wonder. (STL099119) (C: 0-0-1)

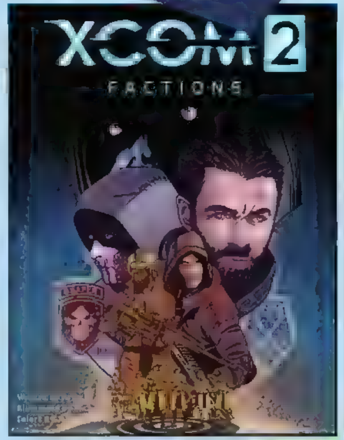
XCOM 2: FACTIONS VOLUME 1 GN



(W) Kevin J. Anderson
(A) Michael Penick
(CA) Hugh Syme
It's 2035 and the war is over. For two decades, the alien invaders have lived side by side with their human conquests, preaching peace and coexistence, and slandering the human forces that fought to repel them. They think they've won the war. They think this planet is theirs. They think XCOM is finished. They're wrong. Set in the action-packed world of XCOM and incorporating elements from the game, *XCOM 2: Factions* expands the universe of the successful game franchise. Featuring sharp, dynamic artwork from top comics artists, this original story is the beginning of an exciting new comics series perfect for *XCOM* players and sci-fi adventure fans. FANTASTIC WORLDS: THE ART OF WILLIAM STOUT HC

FI

(W) Ed Leimbacher (A/CA) William Stout
Muralist, illustrator, comics artist, poster designer: William Stout has created a body of work that transcends genre, medium, and industry during his astonishing forty-year career. He has designed album covers for the Who and the Rolling Stones, worked on films ranging from Ralph Bakshi's *Wizards* to Guillermo del Toro's *Pan's Labyrinth*, and brought the world of the dinosaurs to life through highly acclaimed paleoart. Stout's fans can relive the life and career of their favorite artist with this breathtaking monograph. Curated by the artist himself, Fantastic Worlds: The Art of William Stout bursts with the most iconic imagery in Stout's oeuvre. From his student years to his robust career as a painter, illustrator, and more, Fantastic Worlds gives readers an in-depth understanding of how Stout developed as an artist, illustrated by his most inspired work. Visually stunning and definitive, Fantastic Worlds is the ultimate Stout retrospective-the perfect way for fans to commemorate the extraordinary work of a one-of-a-kind artist. GRUMBLE #1

Recommended By Megan [illegible]

Come with me on an adventure of magic, transfiguration, goblins, and dark beings! This isn't a trip to a certain school of witchcraft and wizardry though, fellow comic lovers. This is a trip to the dark, depraved, mystical, and crab seasoning scented world of Baltimore, Maryland! Wait... What?

The war of the realities between those who possess pure magic and inter-dimensional sorcerers had ended, and the wrong side won leaving the refugees without a home. Why not settle in a city where nothing is too weird, and the citizens base their seasons upon which bird to pay homage to? Telepathic war criminal Tala Palacio does just that and goes on a hunt to find her mom's old friend Eddie Endino. Tala assists Eddie in escaping from the barrel of a gun owned by alien crime boss the Imp, and asks for his help in return. Turns out, the space cops known as the S'tuera are planning on killing her as part of their magical mass genocide, and her mom told her Eddie was the person to run to for help. Eddie decides to use Tala's telepathic tricks to get some quick cash, and transforms himself into a pug to help run quick cons and pick pocket the poor tourists stuck in the Inner Harbor. As the Doge meme lovers would say, he's gonna do a heckin bamboozle on them hoomans. Too bad Eddie is stuck as a pug when the S'tuera shows up and it's time for our antiheroes to show us what they are made of.

Rafer Roberts brings this scifi comedy to life with a strong cast of characters, and enough love for Baltimore to poke fun at it without being mean. Who doesn't love a good Boog Powell or Cal Ripken reference? His creations of Eddie and Tala are like an even more smart aleck version of John Constantine in a Hawaiian shirt and a wingless teenage Alana from Saga while also being completely new. Roberts' writing is full of action, humor, and is completely engrossing. With the artistic styles of Mike Norton and Marissa Louise, the reader is treated to a visual delight. Creating new alien species that feel fresh is hard, but Norton and Louise nail it. At least one person in this dynamic duo has studied their Baltimore references and puns as Easter eggs are dropped in amongst the scenery. I cannot wait to see what else is dropped in throughout the series.

ALTERNATE WORLDS
The Illustrated History of Science Fiction
JAMES GUNN
introduction by ISAAC ASIMOV

ALTERNATE WORLDS: THE ILLUSTRATED HISTORY OF SCIENCE FICTION SC (THIRD EDITION)

(W) James Gunn

Alternate Worlds was first published in 1975 and became an instant classic, winning a Hugo Award the next year. This edition brings the history of science fiction up to date with a chapter covering developments over the past forty years, a period that has seen the advent of technologies only imagined in the genre's Golden Age. As a literature of change, science fiction has become increasingly meaningful, presaging dangers to humanity and, as Alvin Toffler wrote, guarding against "the premature arrival of the future." The world has begun to recognize science fiction in myriad ways, incorporating its visions in products, visual media and huge conventions. James Gunn describes its arc from early myth and fancy to today's complex literature, as the world itself was changed by exploration, science and technology. (STL099090) (C: 0-1-0)

PART OF IT: COMICS AND CONFESSIONS SC

(W/A/CA) Ariel Schrag

Ariel Schrag, a critically-acclaimed memoirist and screenwriter, takes us on a painfully funny tour of her formative years, from her childhood in Berkeley to her mid-twenties in Brooklyn, exploring what it means to connect to others when you don't yet know who you are-when you want to be "part of it" but the "it" changes daily. We meet hippie babysitters, mean girls, best friends, former friends, prom dates, girlfriends, sex ed students, and far too many LensCrafters sales associates. These frank, irreverent, and honest comics revel in the uncomfortable, and occasionally cringe-inducing, moments from our early years that end up wiring us as people. (STL098064) (C: 0-1-0)

A HISTORY OF WOMEN CARTOONISTS SC

(W) Mira Falardeau

Mira Falardeau looks at the work of great women artists and their experiences in the industry to reveal advice and positive encouragement for future cartoonists. Illustrated with cartoons and artwork from many of the best in the field, the book also asks serious questions about why there have been so few women cartoonists in the field of visual humor and if the digital age is opening more opportunities for female humorists. Falardeau has spent decades as an art historian, a specialist in visual humor, and the author of several books and essays on cartoonists and their history. *A History of Women Cartoonists* is the first book to offer a truly global survey and analysis of the great women cartoonists of the last three decades. ELVIS HC

(W/A) Philippe Chanoinat, Fabrice Le Henanff

Stepping into Sun Studios in 1954 Elvis Aaron Presley recorded his first single "That's All Right." Little did he know he would soon revolutionize music and culture worldwide. This graphic novel biography starts with the story of "The King's" humble beginnings in Mississippi, detailing, every step of the way, his meteoric rise to the stratosphere of stardom. It includes his service in the military, his extensive record as a Hollywood film star, his complicated family life, finally ending on the last days of the Hound Dog. Le Henanff's striking photo-quality painting reconstructs Elvis's life in a presentation that practically dances off the page! (STL015883)

GHETTO BROTHER: WARRIOR TO PEACEMAKER GN

(W/A) Julian Voloj, Claudia Ahlering

This graphic novel tells the true story of Benjy Melendez, a Bronx legend, son of Puerto-Rican immigrants, who founded, at the end of the 1960s, the notorious Ghetto Brothers gang. From the ravages of his neighborhood, wracked by drugs, poverty, and violence, he managed to extract an incredibly positive energy from this riot ridden era: his multiracial gang promoted peace rather than violence. After initiating a gang truce, the Ghetto Brothers held weekly concerts on the streets or in abandoned buildings, which fostered the emergence of hip-hop. Melendez also began to reclaim his Jewish roots after learning about his family's dramatic crypto-Jewish background. (STK667661)

THOREAU: A SUBLIME LIFE HC

(W/A) Dan A., Maximilien Le Roy

"To be a philosopher is not merely to have subtle thoughts, nor even to found a school, but so to love wisdom as to live according to its dictates, a life of simplicity, independence, magnanimity and trust." This graphic novel biography relates the forward looking inspirational life of the great author, philosopher and pioneering ecologist. Henry David Thoreau was also the father of the concept, still fresh today (see all the recent protests), of "civil disobedience" which he used against slavery and the encroachment of government. Time is a fickle creature, especially when there's wormhole in the science cupboard. When a strange boy who seems far too entranced by cell phones appears, it's up to Lottie, Shauna, and Mildred to figure out his strange purposes.

The Case of the Forked Road, the seventh book in John Allison's award-winning *Bad Machinery* series, finds our young sleuths facing the intricacies of time and space itself. What is their science teacher hiding? Who is the mysterious Calvin, why is he dressed like it's 1960, and why is he obsessed with Communists? And another thing: just what is going on with Jack, Sonny, and Linton?

"I AM NOT EXAGGERATING WHEN I TELL YOU THAT I SMILED LIKE A COMPLETE GOON THROUGH EVERY SINGLE PAGE, AND FREQUENTLY LAUGHED OUT LOUD. ALLISON'S ART IS CLEAN, LACKING TEXTURE YET EVOCATIVE, AND THE DIALOGUE SIZZLES FROM SCENE TO SCENE."

Read the fourth book in the *New York Times* bestselling series about magic, mayhem, and witchery! Budding witch Courtney Crumrin could use a break from Hillsborough's stifling magical society, and her uncle Aloysius has just the ticket—a relaxing trip across Europe. However, Courtney quickly learns that the forests of Romania and the streets of old Germany are teeming with magic, and she can't help wanting to learn more. Of course, Uncle A tells her to mind her own business, but Courtney's never played by the rules, and neither, it seems, do the people she meets on her journey. But the most important lesson Courtney will learn is that love, trust, and loyalty are their own kind of magic—and they're more powerful than anything Courtney's seen yet.

When U.S. President Stephen Blades announced the presence of alien life to the entire world in his State of the Union address, he wasn't prepared for the backlash. Ex-president Francis Carroll leads a group of world leaders fighting against the United States in what has become World War III, but Blades has enemies on the inside to contend with as well. The battle for Earth distracts everyone from what's going on in the asteroid belt, as Charlotte Hayden and her crew have finally made first contact with the aliens. But while the aliens seem peaceful, they refuse to let the crew of the *Clarke* communicate with Earth—even when the planet's very survival is at stake.

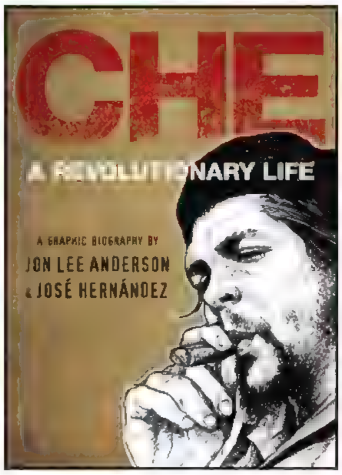
CHE: A REVOLUTIONARY LIFE GN



(W) Jon Lee Anderson
(A) Jose Hernandez

Che Guevara's legend is unmatched in the modern world. Since his assassination in 1967 at the age of 39, the Argentine revolutionary has become an internationally recognized icon, as revered as he is controversial. In *Che: A Revolutionary Life*, Jon Lee Anderson and José Hernández present the man behind the myth, creating a complex and human portrait of this passionate idealist. *Che* vividly transports us from young Ernesto's medical school days as a sensitive asthmatic to the battlefields of the Cuban revolution, from his place of power alongside Castro, to his disastrous sojourn in the Congo, and his violent end in Bolivia. Anderson and Hernández's *Che* makes us a witness to the revolutionary life and times of Che Guevara. (STL098559) (C: 1-1-0) **NOTE:** Available only within the United States and U.S. Territories.

GROW ART OF KOYAMORI SC

(W/A/CA) KOYAMORI

This is the first art collection by the young Canadian artist/illustrator Koyamori (also known as Maruti_Bitamin). Over the past 5 years, she has gained attention through regularly sharing her fascinating illustrations on her Instagram, Tumblr and Twitter accounts. This work is collected in this book and accompanied by a selection of specially created new illustrations. Using mostly watercolor ink, her highly imaginative but intimate illustrations incorporate colorful natural elements such as plants, creatures, water and stars, and also feature super-cute manga-inspired characters. A reversible dust jacket includes the cover from the Japanese edition on the rear side. Both covers are new illustrations exclusively drawn for this book. JOHN CARLIN – ORIOL MALET
MANDELA AND THE GENERAL
Will the freedom struggle end in a bloodbath? Only two men can avert it...

MANDELA AND THE GENERAL GN
(W) John Carlin (A) Oriol Malet
Nelson Mandela, the anti-apartheid hero and first leader of the new South Africa, is an international symbol of the power of a popular movement to fight structural racism. But that nonviolent struggle for equality very nearly spiraled into an all-out race war. As the first post-apartheid elections approach in 1994, with South African blacks poised to take power, the nation's whites fear reprisal. White nationalist militias stand ready to fight to the death to defend their cause. They need someone who can lead and unite them. That man is General Constand Viljoen, former chief of apartheid South Africa's military. Mandela knows that he can't avert a bloodbath on his own. He will have to count on his archenemy. Can they trust each other? Can they keep their followers and radical fringe elements from acts of violence? The mettle of these two men will determine the future of a nation. (STL098066) (C: 0-1-0)

SILVER AGE CLASSICS
TALES OF THE MYSTERIOUS TRAVELER
ARTWORK BY STEVE DITKO
VOLUME TWO

SILVER AGE CLASSICS: TALES OF THE MYSTERIOUS TRAVELER HC
(A) Rocco Mastroserio & Various
Courtesy of the Traveler's creator, Steve Ditko, this title beats pretty much everything else on the old creaking metal comicbook spinners, way back then - these comics appeared from Charlton in 1957/8 - and now. What it may have lacked in the comic book equivalent of $100M SFX budgets, the Mysterious Traveler made up for it with sheer class, style and out 'n out pizzazz and charm. A clear inspiration to Marvel's hugely popular *Amazing Adult Fantasy*, the Traveler is surely the original 'adult' comic and the one that's certainly held its quality and is worth its weight in gold. Aside from Ditko, artists include Maurice Whitman, Bill Molno, Rocco Mastroserio, Paul Reinman and Charles Nicholas. Collects issues #6-10 (December 1957 to November 1958). (STL098297) (C: 0-1-1)

LIP HOOK
DAVID HINE & MARK STAFFORD

Somewhere in the British Isles, at the end of a neglected road, there is a village called Lip Hook. For its inhabitants, the village is more than the end of the road; it's the end of the world. Beyond it, there is nothing but mist-shrouded marshland. Few travelers take the road to Lip Hook, but one foggy night, a car speeds perilously toward the village. The driver is a dangerously beautiful woman, the passenger a man with a gunshot wound and a suitcase containing a treasure he has risked his life for. The two fugitives seek shelter at the Hanged Man Inn, where the woman persuades the innkeeper to accept payment in kind. As days pass and the woman extends her services to more of Lip Hook's men, among them the village priest, a false faith grips the community, and soon and reason, logic, and humanity begin to disappear. O/A GREGORY GRAVES VOLUME 1: INTERVIEW WITH A SUPERVILLAIN GN

(W) Dan Harmon, Eric M Esquivel
(A) Brent Schoonover, Ted Naifeh

The world sighs in relief that insane scientist Gregory Graves is behind bars, awaiting execution. Granting a final interview, Graves tells his side of the story in a world where so-called "heroes" with the power to snuff out the sun ask us to trust their pinky-promise that they won't. But when the secret of Earth's mightiest hero comes out, Graves might not look so crazy anymore. (STL085069)

TAARNA VOLUME 1 TP

Recommended by Jim Fallone

Full disclosure, I was working as a projectionist in a movie theater when the *Heavy Metal* movie came out and I watched it 3 times a day for a month. After a while you start to ignore the films and go about your job maintaining the projectors or splicing trailers but no matter what I was doing I always stopped and watched the *Taarna* sequence. Taarna, the last of the warrior race the Taarakians ushered in the 80s and competed the synthesis of rock music and epic fantasy imagery. If you are a male of a certain age you have this Moebius inspired heroine imbedded in your pubescent DNA. Taarna's image astride her winged mount was perhaps the film's most iconic character but still she was always more a logo or symbol – always a character in search of the rest of her story.

Heavy Metal Comics and Alex de Campi have finally given her that story she always deserved. This is an epic adventure filled with warring armies, oppressive rulers and a badass woman with a sword kicking ass and avenging injustice. Wounded in battle Taarna discovers that she's been enlisted into the wrong army and labeled a spy and the fast paced action takes off from there. But aside from the severed limbs and plot critical nudity we also get a much more developed understanding of Taarna's character as de Campi fleshes out her motivations giving her long overdue nuance and depth. We are introduced as well to cast new and engaging characters that provide additional storylines and intrigue. Alex is the perfect writer to straddle the line between the character's exploitation roots and empowered present. Esau Escorza is an artist I was not familiar with until this book but he has an impressive command of line and is a draughtsman of some talent who brings to life this rich world and captures Taarna's steely allure.

Taarna is a mature and epic story worthy of her Heavy Metal roots.

THIMBLE THEATRE AND THE PRE-POPEYE CARTOONS OF E.C. SEGAR HC

CLASSIC COMIC STRIP REPRINTS

(W/A/CA) E. C. Segar

More than a decade before creating the world's most famous cartoon sailor, E. C. Segar drew the Charlie Chaplin comic strip, a daily strip about Chicago entertainment, and then *Thimble Theatre*, where Popeye was to be born. This volume features examples of all of Segar's early comics and over 100 pre-*Popeye Thimble Theatre* Sunday pages, including the complete run of the famed Western desert saga, a series that rivals his later work in art, storytelling and humor. These comics, most of which have never been reprinted before, are here for the whole popeyed world to see. (STL098412)

ALFRED HITCHCOCK HC (BIBLIOTHECA EDITION)

The name Alfred Hitchcock is synonymous with suspense. Masterful, spine-tingling, thrilling, shocking, excruciating, eye-boggling suspense. This complete guide traces Hitchcock's life and career from his earliest silent films right through to his last picture in 1976, *Family Plot*. Updated with fresh images, the book combines detailed entries for each of Hitchcock's 53 films, an incisive essay that sheds light on his fear-inducing devices, photos of the master at work, and an illustrated list of each of his cameos, together adding up to a movie buff's dream. GIGER HC

(W/A/CA) H. R. Giger

Swiss artist HR Giger (1940-2014) is most famous for his creation of the space monster in Ridley Scott's 1979 horror sci-fi film *Alien*, which earned him an Oscar. In retrospect, this was just one of the most popular expressions of Giger's biomechanical arsenal of creatures, which consistently merged hybrids of human and machine into images of haunting power and dark psychedelia. From surrealist dream landscapes created with a spray gun and stencils to album cover designs, from guillotine-like sculptures to self-designed bars, discover Giger's multi-faceted career and unique universe in this definitive introduction to a master of horror. THE STAR WARS ARCHIVES

THE STAR WARS ARCHIVES: EPISODES IV-VI 1977-1983 HC

Star Wars exploded onto our cinema screens in 1977, and the world has not been the same since. Audiences enthusiastically embraced the positive energy of the *Star Wars* universe as they followed moisture farmer Luke Skywalker on his journey through the galaxy, meeting extraordinary characters. Writer, director, and producer George Lucas created the modern monomyth of our times, one that resonates with the child in us all. Made with the full cooperation of George Lucas and Lucasfilm, this volume covers the making of the original trilogy — *Episode IV: A New Hope*, *Episode V: The Empire Strikes Back*, and *Episode VI: Return of the Jedi* — and features an exclusive interview with Lucas. The book is profusely illustrated with script pages, production documents, concept art, storyboards, on-set photography, stills, and posters. (STL094697) (C: 0-1-1)

WALT DISNEY'S MICKEY MOUSE: THE COMPLETE HISTORY HC

On November 18, 1928, the world's most famous mouse made his very first debut. Today, we celebrate 90 years of Mickey in one of the most expansive illustrated publications on the Disney universe. Starting with the first sketches of a character originally named Mortimer, we trace the career of Walt's and Ub's most famous creation. With unlimited access to the Disney archives and public and private collections, the authors bring Mickey's success story to life: concept art, story sketches, backgrounds, and animation drawings as well as historical photographs trace the origins and evolution of such timeless favorites as *Steamboat Willie*, *The Band Concert*, and *Brave Little Tailor*. Unfinished projects, many of them presented for the first time through original storyboard drawings, unveil a Mickey that might have been. Extensive archival research sheds new light on little-known chapters of Mickey's career, such as his pioneering radio shows, the origins of the Mickey Mouse Club, or his use as a patriotic icon during World War Two. Today, at the tender age of 90, Mickey remains as lovable and popular as ever. (STL094694) (C: 0-1-1)

O/A COMIC BOOK IMPLOSION SC

In 1978, DC Comics implemented a bold initiative to combat plummeting sales: Give readers more story pages with a higher cover price, to better compete on newsstands. This "DC Explosion" brought with it many creative new titles, but just weeks after its launch, they pulled the plug, cancelling numerous titles and leaving stacks of completed comic book stories unpublished. It quickly became known as "The DC Implosion", and TwoMorrows Publishing delves into one of the most notorious events in comics with an exhaustive oral history from the creators involved (Jenette Kahn, Paul Levitz, Len Wein, Mike Gold, and others), plus detailed analysis of how it changed the landscape of comics forever! LOU SCHEIMER: CREATING THE FILMATION GENERATION SC

(W) Andy Mangels (A) Lou Scheimer

Hailed as one of the fathers of Saturday morning television, Lou Scheimer was the co-founder of Filmation Studios, which for over 25 years provided animated excitement for TV and film. Scheimer's company created the first DC cartoons with *Superman*, *Batman*, and *Aquaman* and swung into high adventure with *Tarzan*, *The Lone Ranger*, and *Zorro*. Forays into live-action included *Shazam!* and *The Secrets of Isis*, and in the 1980s, Filmation single-handedly caused the syndication explosion with *He-Man and the Masters of the Universe* and its successors. Now, Lou Scheimer tells the entire story in this book illustrated with photos, model sheets, storyboards, presentation art, and more. (STK360985)

ALISON BECHDEL: CONVERSATIONS SC

(A) Alison Bechdel

Collected interviews with the trailblazing creator of the graphic memoir *Fun Home* and the comic strip *Dykes to Watch Out For*. Spanning 1990 to 2017, *Alison Bechdel: Conversations* collects ten interviews that illustrate how Bechdel uses her own life, relationships, and contemporary events to expose the world to what she has referred to as the "fringes of acceptability," the comics genre as well as queer culture and identity. These interviews reveal her intentionality in the use of characters, plots, structure, and cartooning to draw her readers toward disrupting the status quo. (STL098481) (C: 0-1-0)

COMICS AND SACRED TEXTS: REIMAGINING RELIGION & GRAPHIC NARRATIVES SC

How comics, graphic novels, and sacred texts work in concert to expand our sense of the holy. *Comics and Sacred Texts* explores how comics and notions of the sacred interweave new modes of seeing and understanding the sacral. Comics and graphic narratives help readers see religion in the everyday and in depictions of God, in transfigured, heroic selves as much as in the lives of saints and the meters of holy languages. Coeditors Assaf Gamzou and Ken Koltun-Fromm reveal the graphic character of sacred narratives, imagining new vistas for both comics and religious texts. (STL098480) (C: 0-1-0)

NEW ONGOING SERIES! DISCOVER THE TRUE ORIGIN OF VALIANT'S MOST UNRELENTING HERO!

Before a weapon is deployed in battle, it must be designed, refined, field-tested. Bloodshot was no exception.

In the early days of the private military contractor Project Rising Spirit, the nanite-infused super-soldier who would one day become their most violent and valuable asset was a resource to be mined - and it was up to one enterprising employee, the Memory Weaver, to ensure he did what he was told. But memory is a tricky thing...and the man Bloodshot used to be won't let go of his past so easily...

HARBINGER WARS 2 TPB

A seismic, universe-spanning event! Nothing will ever be the same...

For the rare and immensely powerful subset of humanity known as psiots, their unique abilities have come with an enormous cost. Once, their existence was known only to a select few. Now, the revelation that thousands of these latent telekinetic "harbingers" secretly live among us - with the potential to be activated at any moment - has led the American government to a dramatic tipping point...

Armed with new extra-governmental authority, the deep-black ops military contractor known as Omen has been authorized to identify, evaluate, and, if need be, eliminate all super-normal threats to the homeland. H.A.R.D. Corps units have been deployed into cities and towns across the United States to enforce their orders.

As the situation escalates beyond human control, the United States will be plunged into darkness from coast to coast, launching Bloodshot and Ninjak into a dangerous mission to neutralize their one-time teammate, Livewire - and setting the stage for the most shocking, most violent, and most consequential clash of powers ever witnessed in the history of the Valiant Universe!

DEEP ROOTS VOLUME 1 TP

(W) Dan Watters (A/CA) Val Rodrigues

Roots, once suffocating under cement, tear through the streets of London to throttle buildings. Vegetable homunculi hold up banks with automatic weapons. There is a green and blooming world beyond our own, fighting back against the human pollutant. We will launch a rescue mission to this otherworld. But it is cruel and unknowable, and should we become tangled in its vines, more than cities will fall. From Dan Watters and Val Rodrigues comes a story of two worlds, of myth and man, of science and fiction, and the roots they share. Collects the complete series! (STL098920) (C: 0-1-2)

WATERSNAKES

Recommended by Megan [illegible]

The life of a teenager is a confusing time in your life; there are questions you can't answer, and some answers are even more confusing to you than the question you asked. Now add a surge of new feelings, a dash of magic, and dreams powerful enough to change the course of a life. Put that all together and you've got *Watersnakes* from The Magnetic Collection by Lion Forge.

Mila, the raven-haired loner has a chance meeting with the mysterious Agnes one day at the beach, and her magical adventure quickly begins. There is something about Agnes that Mila really can't put her finger on. She's ghostly pale with icy blonde hair and has the most mesmerizing set of teeth. Teeth that are ghosts and travel the world according to Agnes. She's rather eccentric, but Mila is completely captivated by her. The two spend the summer together growing closer as Mila's feelings for Agnes deepen and Agnes hints at Mila's magical abilities. There may be some truth to claims as the more time Mila spends with Agnes the more intense and surreal her dreams become. When the dreams become real life, will Mila be ready to prove herself? Was there a reason all along that Agnes and Mila met by the water's edge? You'll have to read to find out.

Tony Sandoval's *Watersnakes* is a magical adventure that radiates warmth off the pages. Behind the muted colors in the art lies a coming-of-age tale that blends the magic of dreams with the magic of first love. The story and art are perfect fits for fans of Neil Gaiman and Tim Burton with touches of Junji Ito style surrealism in the dream sequences. Sandoval's writing and illustrating are a delight for the reader to immerse themselves in.

Watersnakes from The Magnetic Collection by Lion Forge leads you under the water and into a world of adventure.

CLICK: A STORY OF CYBERBULLYING GN

(W) Alexandra Philips (A) Garry Leach

Lexi's story of cyberbullying is a shocking depiction of young teenager's torment in the newfound world of online harassment. Lexi, from Northridge, California, is ganged up on by a few girls over a misunderstanding on the schoolyard. The incident escalates on social media, local chat boards, and gossip sites. Forced to change schools, Lexi gets her karmic revenge when she returns to her old school for a Winter Formal. In a gesture of pure bravery, Lexi turns the tables on the "clique" by landing the boy at the dance and her picture in the yearbook. (STL098146) (C: 0-1-0)

MEND: A STORY OF DIVORCE GN

(W) Sophia Recca (A) Garry Leach

Sophia, the fourteen-year-old author and protagonist, tells the heart-wrenching story of her parents' divorce. She was just eleven years old, happy and enjoying life with her mom, dad, and little brother in Las Vegas, Nevada. Unexpectedly, one night, a violent argument disrupted her sleep and shattered her life. The next morning, her parents told her the dreaded news — they were getting divorced. Her dad was moving to California, while Sophia and her brother would stay with their mom. First, she blamed herself. But then, she remembered a note a teacher once wrote on her report card, and was inspired to focus on bringing both parents back into her life. Even if they could not be under the same roof, she thought, they could still share in caring for her and her brother. The book includes helpful advice for parents, as well as a special Teacher's Corner page. (STL098147) (C: 0-1-0)

MORE ABOUT MANGA!

DARK HORSE COMICS

LONE WOLF CUB

This year marks Dark Horse's 30th anniversary in manga — one of the two remaining regular North American manga publishers who pioneered the field in the 1980s.

BLADE OF THE IMMORTAL

Manga in the 1980s and '90s were published here just like most English-language comics are still today: they were serialized, usually one chapter a month, in a stapled, monthly pamphlet, and only later collected as a perfect-bound graphic novel.

In the 2000s, the North American manga industry left the pamphlet behind and adopted a straight-to-GN format... and soon after moving from the Western Left-to-Right-reading format, to the Japanese format of reading the manga Right-to-Left. American readers were far more flexible and open-minded to this more traditional format.

Oh My Goddess!
ああっ女神さまっ
1
OMNIBUS
藤島康介
KOSUKE FUJISHIMA

Dark Horse saw it all happen in real time with its longest (48 volumes!) and longest-running manga series, *Oh My Goddess!* It's the ultimate case study: they published the first chapter in 1994 as a flopped, stapled comic book; they published the final chapter in 2015 inside a straight-to-GN, Japanese-reading format.

How did the same manga survive in a competitive market for so long, and through such big changes? It was thanks to the readers, who must never be stereotyped, assumed about, or underestimated. If they weren't truly adventurous, would they really be reading manga... or comics?

In a world where Disney's greatest villains have been condemned to live in exile on the Isle of the Lost, Mal, Evie, Carlos and Jay -- four descendants of these evildoers -- are given a chance to redeem themselves and prove they are greater than the sins of their parents by attending Auradon Prep and living among the good guys. Seeking this chance for glory, the Villain Kids hatch a plan to steal Fairy Godmother's magic wand and free their parents from captivity. Will the rebel teens follow in their rotten parents' footsteps or will they choose to embrace their innate goodness and save the kingdom?

SWORD PRINCESS AMALTEA VOL.3

Manga by NATALIA BATISTA

176 Pages • 5 x 7.5 • SC • BW • L to R

TEENS 13+ • $10.99

We all know the way the story goes. The valiant prince goes on a perilous journey, kills a ferocious dragon, rescues a captive princess, earns his family's honor. But what if this time the prince... was a princess?

In a fairytale world where Queens rule and magic is power, Princess Amaltea is sent on the biggest quest of her life -- to rescue a prince in need and fulfill her duties as a princess. Spoiled, prejudiced and sheltered from the world at large, Amaltea reluctantly sets out on her journey and finds her "lad in distress"... only to find out he's not so willing to join her.

See what happens in final volume of ***Sword Princess Amaltea***!

O/A UDON NOODLE SOUP LITTLE TALES FOR LITTLE THINGS GN

Two children are close neighbors and love playing together. Then one day they are separated when one of the families moves to the other side of the world. But the boy leaves her a present and a promise. 20 years later a flavor awakens her memories. A mother's gift for knitting lays unappreciated until it is almost too late. As she grows older and raises a family, a woman holds on to her memories of a first love and a toothbrush. A hand-made present and a small lie lead to great upset. A soccer shirt is a poor substitute for the idol that should be wearing it. Yani Hu whips up recipes of young love in its many forms in these five not-so-little stories from China told with innocence and a certain oriental twist. (STL082651)

PERSONA Q: SHADOW OF LABYRINTH SIDE: P3 GN'S

(W/A/CA) Sou Tobita

A crossover manga featuring characters from *Persona 3*, the best-selling game that has won acclaim at the top of numerous RPG of the year lists. The gang from the Specialized Extracurricular Execution Squad are back in a new adventure that ties into the new 3DS game, *Persona Q: Shadow of the Labyrinth. Side: P3* focuses on characters from Persona 3, including class-clown Junpei Iori, the cyborg Aigis, canine-companion Koromaru, and more, as they wander through an *Alice in Wonderland*-themed labyrinth. Along the way they battle shadows and other foes with their personas as they try to find their way out of the treacherous maze and back to Gekkoukan High School. (STK694521)

STAFF PICK

HOPE TP

Recommended by Leigh Tyberg

It was 1996, I was eleven or twelve, and my mother hated accompanying me into our local comic book shop. To avoid the cramped space as much as she could, she wrote a note, letting the nice people who worked there know that I could read whatever I wanted. So I did what any kid with carte blanche to do what they wanted would do.

I read the things I shouldn't have been reading. Most notably, old issues of *Hellblazer*.

Thus started a life-long search for comics that are equally as chilling; equally as entertainingly unsettling as that first Jamie Delano run, and the Garth Ennis single issues I picked up after that.

Rebellion's *Hope* fits that bill very nicely.

Set in stark, sundrenched post-war Hollywood, *Hope* tells the story of Mallory Hope, a private investigator who uses magic (for better or for worse), to help him solve the murder of a famed child star. He carries with him a penchant for getting into trouble and the pain that the abuse of magic often brings in tales such as this. As in many urban fantasies, magic comes with a price tag that will set your hair on end.

A swirl of noir and urban fantasy, *Hope* takes readers from the glitz and glam of Hollywood to its seedy underbelly, detailing the dangers of greed, fame and power.

An engaging mashup of *The Fadeout* and *Hellblazer*, *Hope* is a chilling tale of old Hollywood murder and magic.

Seventeen-year-old Hajime Nagumo is your average, everyday *otaku*. However, his simple life of pulling all-nighters and sleeping in school is suddenly turned upside down when he, along with the rest of his class, is summoned to a fantasy world! They're treated like heroes and tasked with the duty of saving the human race from utter extinction. But what should have been any *otaku*'s paradise quickly turns into Hajime's nightmare. While the rest of his class are blessed with godlike powers, Hajime's job, Synergist, only has a single transmutation skill. Ridiculed and bullied by his classmates for being weak, he soon finds himself in despair. Will he be able to survive in this dangerous world of monsters and demons with only a glorified blacksmith's level of strength? (STL098029) (C: 0-1-0)

One of the biggest anime/manga properties of all time returns with the release of *Mobile Suit Gundam Wing*. A longtime hit of the Cartoon Network, *Gundam Wing* remains one of the most recognized Japanese titles in recent history spinning off a number of movie, books, and model kit collections. *The Glory of Losers* retells the original *WING* story by incorporating elements of the anime and its recent light novel adaptations. Following the actions of five fighters and their mobile suits (large robots made for destruction), *Gundam Wing* is a heavily political, dramatic action work that is centered around a war between Earth and its surrounding colonies in space. PREVIEWS VIDEO GAME MONTH INTERVIEWS

ANNA POWERS

WRITER/TRANSLATOR @ YEN PRESS

PREVIEWS: *What are you currently working on?*

Anna Powers: I'm currently working on the *Kingdom Hearts 358/2 Days* novel, as well as *Final Fantasy VII: On the Way to a Smile.*

P: *What video game properties are you working on right now, or have you worked on in the past?*

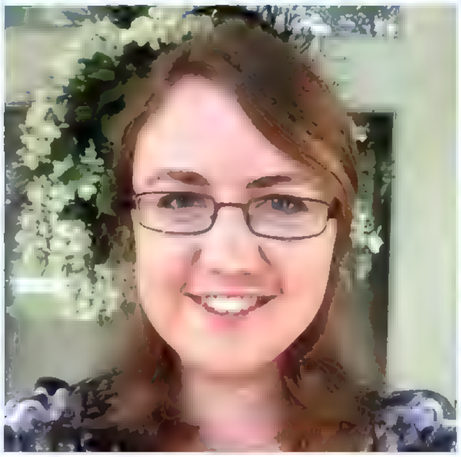
AP: I've worked on the *Kingdom Hearts* novels, starting with *Kingdom Hearts II*, and I'm very excited to be working on the *Final Fantasy* novels now.

P: *Are you a PC or console gamer? Which console do you prefer?*

AP: I'm more of a console gamer. I grew up on the Playstation series and its JRPGs, so my favorite is definitely the PS4!

P: *What video game started your passion for gaming?*

AP: *Final Fantasy VIII* was my first video game and one of my first encounters with media from Japan. It was so different from any other story I'd experienced before, and I had no idea what was going to happen next. I was sucked in pretty much from the get-go. Even as a kid, I used to write about the story and characters and what they meant to me. I've played most of the numbered *Final Fantasy* games at this point, and the series has always had a special place in my heart.



P: *What current release is taking up your free time?*

AP: Right now, I'm neck-deep in *NieR:Automata*. It's such a brilliant, thoughtful game made with so much attention to the storytelling potential of the medium, and probably the most emotionally immersive experience I've had with a game.

P: *How is telling a story in a video game different that telling a story in a comic? How are they the same?*

AP: *358/2 Days* is an interesting example to look at since the story exists across several media now. One advantage the game has is that you're able to naturally form relationships with the characters just through fighting alongside them. The last act of *Days*, especially the ending, hits like a brick after you've spent so long helping and working together with the main protagonists. On the other hand, print media like manga and novels aren't restricted by the expectation of gameplay or technological limitations. *Days* is focused more on character drama than journeying to save the worlds, so it's easy to include additional conversations or other character moments without potentially making players feel like they aren't doing anything. And the novel easily delves into the characters' internal world and fleshes out their thoughts and motivations — and since the game involves questions of identity and what it means to have a heart, there's quite a bit of that.

As for similarities, the visual language is probably the strongest tie I see between games and comics — things like frame composition and art style obviously play a huge part of creating the tone and impact of a scene. And from a broader perspective, some of the most famous long-running game and comic series are constantly reinventing iconic characters by exploring new contexts with them.

P: *Who is your favorite character from a video game and why?*

AP: My favorite character would have to be Riku, again from *Kingdom Hearts*. Riku has grown and matured so much, from being frustrated and jealous to full of self-doubt to having faith in his best friends and himself, and the longevity of *KH's* narrative is a major part of that. His struggle with the darkness within himself has been an inspiration to me ever since *Chain of Memories* over ten years ago — at this point, it feels like he's grown up with me! I can't wait to see where his arc will take him in *Kingdom Hearts III*.

EMMA VIECELI

WRITER/ARTIST @ TITAN, DARK HORSE, SOARING PENGUIN

***PREVIEWS**: What are you currently working on?*

Emma Vieceli: I'm writing *Life is Strange* for Titan; drawing *Olivia Twist* (*Issue #1*/JUL180432) for Dark Horse, and co-writing and comicking *Breaks* (JUL172110) for independent release with Soaring Penguin.

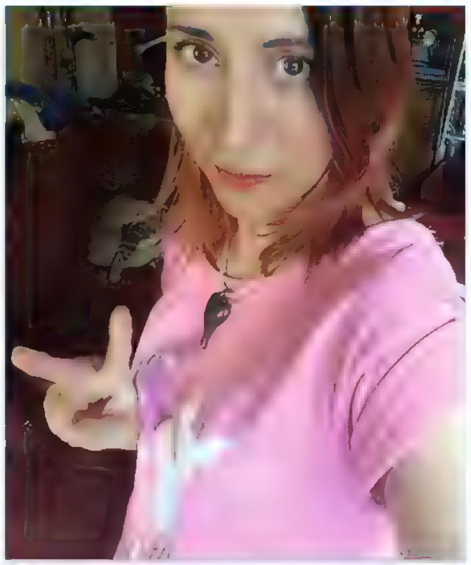
***P**: What video game properties are you working on right now, or have you worked on in the past?*

EV: *Life is Strange* (*Issue #1*/See Page 368!) is my first official video game related comic, *buuuuut* I did once write a twelve-chapter fanfic reaction to *Dragon Age 2*. Oh, yes, I did.

***P**: What video game started your passion for gaming?*

EV: Wow, that's a tough question to answer as games have been in my life for so long... but, I guess the first to truly get under my skin was, like so many of my generation, *Final Fantasy VII*.

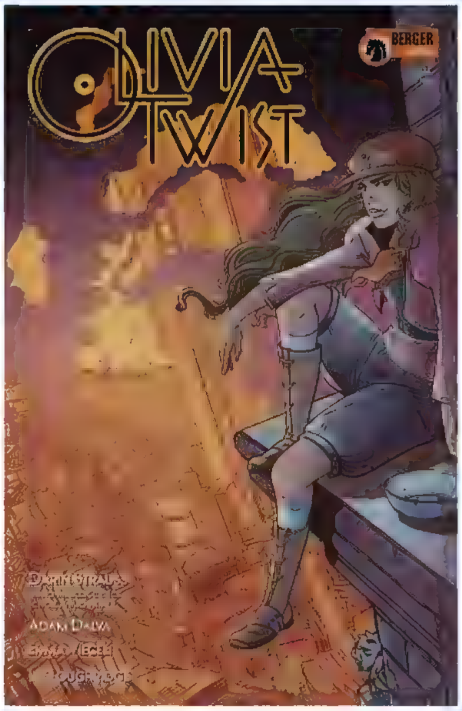
***P**: What current release is taking up your free time?*



EV: Aside from *Life is Strange*, of course, the most recent game to have stolen too many hours was *Horizon: Zero Dawn*. Frustratingly, I suffer a physical condition that means it's been getting more and more painful to hold a game controller — which is utterly heartbreaking, but I found a bit of a workaround in the form of the amazing Nintendo switch; so have spent a lot of time on *Stardew Valley* — contrary to my usual story-heavy game tastes. 😉

***P**: If you could create a comic out of any video game property, which one would you choose?*

EV: My lovely writers from the *Avalon Chronicles*, Nunzio DeFilipis and Christina Weir are actually already working on fab comic spin-offs to the game title I feel most strongly for: *Dragon Age*. It would be great to rejoin them on that property some time! Otherwise, I'd never say no to any *Final Fantasy* comicking; perhaps the fabulous adventures of Balthier and Fran (*FFXII*)?



***P**: Who is your favorite character from a video game and why?*

EV: Balthier. Just... Balthier. For reasons that will be obvious to anyone who has played *FFXII*. Gideon Emery gives a masterful performance as a cool, calm and collected sky-pirate with a twist in his story. Balthier and Fran as a unit, to be honest. They deserve their own series. And hey, if Square are reading, I'd happily volunteer my services ;)

MARV WOLFMAN

WRITER @ DC COMICS, TITAN COMICS

PREVIEWS: *What are you currently working on?*

Marv Wolfman: I'm currently writing *Raven* (FEB170314) for DC, and *Diablo* (*Issue #1*/See Page 366!) for Titan Comics.

P: *What video game properties are you working on right now, or have you worked on in the past?*

MW: Right now, I'm working on *Diablo* for Titan. I wrote *God of War* for Wildstorm and the DCU comic based on the online MMO. I've also written many video games, including *Epic Mickey 2* for Disney. My script was actually nominated for a Writers Guild award. I didn't win, but out of hundreds of games, only *five* were nominated.

P: *Are you a PC or console gamer? Which console do you prefer?*

MW: I don't play on a PC. That's for work. I have both Playstations and X-Boxes.

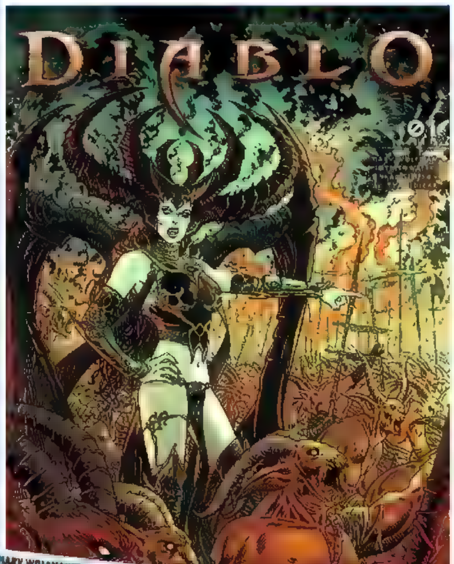
P: *What video game started your passion for gaming?*

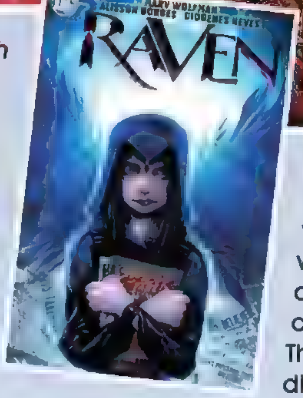
MW: I always played the coin-op games, but for consoles, even though I already had them, *God of War I* flipped the switch in me. Loved that game!

P: *What current release is taking up your free time?*

MW: *God of War 4*, *Call of Duty*. Looking forward to *The Last of Us 2*.

P: *If you could create a comic out of any video game property, which one would you choose?*





MW: I'm loving writing the *Diablo* comic! That fits into my love for writing horror as well as a great game to play.

P: *If you could create a video game comic book crossover like Marvel vs. Capcom or Mortal Kombat vs. DC Universe, what two properties would you choose?*

MW: The DCU set in the world of *Diablo* where super-heroes fight angels and demons.

P: *How is telling a story in a video game different that telling a story in a comic? How are they the same?*

MW: Comic book stories are meant to be read, and you follow the story that's written. Videogame stories are meant to be played and are totally interactive. They are very different with different goals.

P: *Who is your favorite character from a video game and why?*

MW: Kratos, Nathan Drake, and several others I can't immediately think of. I like single, solitary characters fighting against the odds.

TOY TALK: JOE LEDBETTER

Toys, Statues and other collectibles don't just magically appear on store shelves. A lot of work goes into the concept, design, sculpting and final production of these items, and many of the people who work behind-the-scenes with companies like Diamond Select, DC Collectibles and Gentle Giant, among others, remain mostly unknown to their appreciative audience: the final consumer.

With Toy Talk, we hope to introduce you to the artisans behind some of your favorite collectibles, and to let them enjoy their well-deserved moment in the spotlight!

This month, we welcome *DC Collectibles Artist, JOE LEDBETTER...*

Toy Talk: Can you explain your design process on the Artist Alley figures?

Joe Ledbetter: It began as a conversation with Art Director Brian Walters at DC Collectibles. Once we agreed what DC characters to take on, I began rough concept sketches for all 4 characters; Batman, Robin, Penguin and Catwoman. After all the concepts were approved, I then moved on to the turnaround drawings of each character. These are detailed drawings of all angles of the figures in order to give as much information to the sculptor as possible. Joe Menna was the sculptor on this project and once he got underway I went back and forth with him to get the sculpt just right. I always like to insert myself into the process as much as possible. Together we made all kinds of tweaks and adjustments to make it even better than planned. Menna's expertise and skills were invaluable to the project, not only to bring the characters to life, but also finding great solutions to a few tricky problem areas. Once the sculpts are finished I made the paint samples of each of the figures (hand painted with acrylic paint), so the factory has a clear example of how the artwork on the finished pieces should look.

Toy Talk: What was your experience like working with DC Collectibles?

JL: This was the most fun I've ever had working on a toy project, and I've been involved in over 200 toy designs to date. One reason for this is that everyone involved is truly excellent at what they do. When your surrounded by all-stars everything is easier, more fun and the results are just better. It is the best situation any artist can ask for, and I'm so grateful to have worked with this team.

Toy Talk: Putting anthropomorphic characters (Bat as Batman, Cat as Catwoman) was an interesting spin.. What was your thought process on that?

JL: All my work is anthropomorphic and so it's a natural fit. However, I was very tempted to make Batman into a human, but that initial concept art just wasn't working. For whatever reason, whenever I incorporate human characters in my work it just doesn't read as my signature style. This was definitely the case with Batman, and DC was quick to nudge me in the direction of Batman as a bat. I think there is something truly refreshing and amusing about taking their nicknames a bit too literally like this.

Toy Talk: What were some challenges you had to overcome during the design process?

JL: Once we had established that each of the figures would be depicted as their animal namesakes, most of the designs fell into place. Catwoman, however was the most challenging. She's such a complicated character and I wanted the figure to reflect that. She is often depicted as super sexy, so I wanted steer away from that, giving her more of a strong athletic physique - yet keeping her very much a feline. It was tricky to find that balance and get her proportions just right, but in the end, I couldn't be happier with the results. Sculptor Joe Menna did a fantastic job nailing the pose and adding a lot of subtle muscle structure which really contributed to the believability of the figure.

Toy Talk: You have a unique art style... How did you develop it and how would you describe it?

JL: I often describe my work as geometric cartoon style with heavy linework representing themes from daily life, absurdity and word play. I've been drawing and painting in a cartoon style since early age and always dreamed about becoming an animator. My style developed from those animation aspirations, and the more I drew and created, the more my specific style began to emerge. When young artists ask me how to develop their own unique style, I always tell them to draw everyday - whatever excites them. Make it your lifestyle to create daily and before you know it you'll have a style and technique as unique as your own fingerprints.

Toy Talk: Did you have any apprehension about applying your vibrant and bright art style to Batman, a character some would say is dark and gritty?

JL: Not at all, in fact I wanted to take Batman back to the colorful days of the 60's tv show, the Super Friends cartoon series and the Super Powers toys. All stuff deeply entwined in my childhood. This was such a thrilling project to work on, I couldn't wait to sink my teeth into it.

Toy Talk: What are some of your inspirations?

JL: The common thread behind work that inspires me is amazing character design. Characters throughout classic animation like Looney Tunes, Disney, Don Bluth, Spike and Mike's Sick and Twisted animation festivals, mascots

from Japan, 1980's video game characters, and throughout the work of artists like Todd Schorr, Gary Baseman, Tim Biskup, Camille Rose Garcia, Ed "Big Daddy" Roth, Rick Griffin, and skateboard graphics by the likes of Jim Phillips and Ed Templeton, just to name a few.

Toy Talk: How was your experience at San Diego Comic-Con this year?

JL: Fantastic! It was quite a thrill to participate at the DC Collectibles panel with the outstanding DC team; Jim Fletcher, Travis Hastback, sculptor Paul Harding, artist Chrissie Zullo, and the master special effects make-up legend Rick Baker. I had a great time and gleaned as much as I could from all that talent on the panel. Aside from the panel, had a great time at SDCC checking out all the exciting new figures, and catching up with old friends in the toy world I don't see very often. It's always a blast, but one day is enough for me - I don't last very long in large crowds.

CELEBRATE THE CHILLING LEGACY OF MR. FREEZE WITH 1/6 SCALE ACTION FIGURE FROM MONDO TEES

In September 1992, *Batman: The Animated Series* aired "Heart of Ice", an episode that completely overhauled the origin story of Mr. Freeze. Once a minor villain in the canon of Batman, Mr. Freeze would soon become one of the most celebrated characters in Gotham City. The episode, often credited with propelling the series to mainstream prominence, would soon be awarded an Emmy for Outstanding Writing in an Animated Program.

Now, you can celebrate the most chilling character in Gotham with Mondo's Mr. Freeze 1/6 scale figure! Featuring the same gothic art style that earned the series critical acclaim, the figure bears a strikingly similar appearance to how he was visualized on screen. Mr. Freeze has 28 points of articulation, making him able to strike dynamic action poses.

Mondo has equipped Mr. Freeze with the necessary accessories include his freeze-gun, frozen blasts, gas tank, a frozen Batarang and his wife's music box seen from "Heart Of Ice". Also included is a Batman logo base with a stand for easy posing.

Derived from the original on-screen Mr. Freeze design by Mike Mignola, this figure was drawn up by Bigshot Toyworks, Ramirez Studios, Jason Wires Productions and Joe Allard. Before you pre-order the figure, be sure to look for Mondo's Batman 1/6 scale action figure from *Batman: The Animated Series.*

RULE ASGARD WITH MEZCO'S ONE-12 COLLECTIVE HELA ACTION FIGURE

Thor: Ragnorak is considered one of the best films in the Marvel Cinematic Universe thanks to its visual effects, humor and as, always, heroes and villains. Detailing the events following the death of Odin, the movie earned critical praise for one of its leading ladies.

First introduced in *Thor: Ragnorak* is Hela, portrayed by Cate Blanchett, the Asgardian Goddess of Death and older sister of Thor and Loki. Bent on conquering Asgard following the death of her father, Hela battles her brothers and their team of "Revengers" in pursuit of her greater goal.

Mezco's One-12 Collective Hela action figure features 30 points of articulation and a screen-accurate sculpt of the villainous vixen. Also featured are two head portraits, one featuring the notorious headdress donned by Hela and the other featuring her long, straight black hair. She also comes with eight interchangeable hands.

Hela is accessorized with her chest armor, wrist gauntlets, knee-high boots and her two Necroswords. She's paired with a display base with a *Thor: Ragnorak* logo for seamless posing alongside your other One-12 Collective action figures.

As always with Mezco, action figure collectors are kept in mind with easy packaging that features no twist ties for easy to display both in and out of the box.

PLOT YOUR CONQUEST OF WESTEROS WITH DARK HORSE'S MAP MARKERS

127

Any general, plotting conquest, needs more than maps. He needs markers to denote where the enemy's forces are likely to be and where his own forces are. For *Game of Thrones* fans, Dark Horse Comics brings collectors the *Game of Thrones: Targaryen Map Marker*, a replica of the dragon marker used by Daenerys in the seventh season of HBO's hit series. Push this replica across as map of Westeros and plot your own campaign for the Iron Throne!

REDISCOVER HALLOWEENTOWN THROUGH THE EYES OF MISS MINDY

M-42

Miss Mindy is known in the art community for her "Cartoon Folk Art," taking familiar characters and redesigning them in her own unique style. This October, Enesco brings fans of *The Nightmare Before Christmas* two figures as part of *The World of Miss Mindy* figure line. Jack Skellington and Sally had been transformed at Miss Mindy's hands into something expressive and remarkable. Standing 7" tall, these *World of Miss Mindy* figures belong in the collection of any fan of *The Nightmare Before Christmas!*

BATMAN NINJA: NINJA CATWOMAN NENDOROID

ACCLAIMED ARTIST JOE LEDBETTER TURNS HIS ATTENTION TO DC'S HEROES

M-26

Joe Ledbetter, the artist and toy designer, helped to kickstart the designer toy movement with his vinyl creation, Mr. Bunny almost fifteen years ago. DC Collectibles invited Ledbetter to unleash his creativity on DC's characters, and the result is the DC Artists Alley by Joe Ledbetter Vinyl Figure series – four figures of Batman, Robin, Catwoman, and The Penguin, each an anthropomorphized animal that matches the name of the character! Add these to your collection this April!

FROM THE WORLD OF BATMAN NINJA COMES THE CATWOMAN NENDOROID

Mezco introduces a spine-tingling roto plush Nun doll from the Warner Brothers film 'The Nun'.

Standing at approximately 18 inches tall, The Nun features time-honored construction used for over half a century. Special attention was paid when designing Valak's rotocast-molded head, hands, and feet. Her bright, piercing eyes stare directly into your soul and her authentic plush-constructed body features a film-accurate outfit complete with a tunic, cowl, and veil.

First introduced in The Conjuring 2, horror fans got a quick glimpse of The Nun in a haunting scene where demonologist, Lorraine Warren, is attacked by the spirit. This summer, The Nun stars in her own self-titled film exploring the unholy origin and dark secrets of her past.
The Nun comes packaged in a die-cut window box, perfect for display.
'The Nun' hits theaters September 7th, 2018.

ROCKY: ROCKY & MICKEY PUPPET MAQUETTE STATUE

The phenomenally successful *Rocky* saga is a part of American pop culture, with its inspiring tale of a small-time boxer determined to prove his worth to the world. These limited edition maquettes (statues) are based on a famous stopmotion commercial from the late 1990s that starred Rocky and his trainer Mickey in puppet form. Even in stylized form, those two had selling power! Working from the actual puppets used to make the commercial, we've reproduced Rocky and Mickey as extra-detailed maquettes. Rocky stands approximately 12" tall and has fabric boxing shorts. Mickey stands approximately 10" tall and features fabric hat and clothing. Both statues are in accurate scale to each other and have movable eyes that can be positioned in various directions. Comes with two display bases. Limited to 1500 pieces worldwide. (STL098262) **Item has been previously solicited in New to Order.** Scheduled to ship in August 2018. (6338/53087) (C: 1-1-2) **NOTE:** Available only in the United States, U.S. Territories, Canada, and the U.K.

PATHFINDER PLAYER COMPANION: MARTIAL ARTS HANDBOOK SC

(W) Paizo Publishing

For some heroes, the strength of the self holds more potential than any other training. These practitioners use martial arts to hone their own bodies as weapons, or they wield deadly weapons in combat as extensions of themselves. *Pathfinder Player Companion: Martial Arts Handbook* delves into the various traditions, techniques, and styles of those who push their physical forms toward perfection. From fearsome kicks and punches, to expertise with mighty weapons, to harnessing the power of ki, this player-focused volume provides new archetypes, feats, styles, and weapons that allow characters to make the most of their own combat skill. DUNGEONS & DRAGONS RPG: THE GUILDMASTER'S GUIDE TO RAVNICA HC

A perpetual haze of dreary rain hangs over the spires of Ravnica. Bundled against the weather, the cosmopolitan citizens in all their fantastic diversity go about their daily business in bustling markets and shadowy back alleys. Through it all, ten guilds - crime syndicates, scientific institutions, church hierarchies, military forces, judicial courts, buzzing swarms, and rampaging gangs - vie for power, wealth, and influence. These guilds are the foundation of power on Ravnica. They have existed for millennia, and each one has its own identity and civic function, its own diverse collection of races and creatures, and its own distinct subculture. Their history is a web of wars, intrigue, and political machinations as they have vied for control of the plane. (STL099418) **NOTE:** Available only within the United States and U.S. Territories.

BRING ARTS Neku Sakuraba

Release: JAN 2019 SRP $79.99 STL099272

In the year 2007, the DS version of "The World Ends with You" was released and was hailed around the globe as a modern action RPG masterpiece. Now, more than a decade later, the beloved title will return this fall, newly powered up! From "The World Ends with You: Final Remix," protagonist Neku Sakuraba now appears as a BRING ARTS action figure!

Neku's slim and stylish silhouette, including the sharp edges and wrinkles in his costume, have been carefully reproduced in the sculpt of this figure. Coupled with contrasting paint application to highlight the dramatic shadows, his cool in-game image is fully brought to life.

His knee and elbow joints are designed to implement a wide range of mobility. With a bounty of accessories, including four exchangeable facial expression parts, exchangeable hands, and psychic power effect piece, this figure is packed with Neku's distinctive charm.

Figure includes display stand.

X-23

Release: JAN 2019
SRP $149.99
STL099271

SUPER HEROES RE-IMAGINED BY PLAY ARTS KAI CRAFTSMANSHIP.

X-23, the female genetic clone of Wolverine, who inherited his superhuman senses, reflexes, agility, animalistic nature, and healing factor is now available as a PLAY ARTS –KAI- figure!

Dynamic use of gloss and matte colorations to recreate her armor or the texture of the inner suit, combined with the painted weathering to show subtle wear and tear of battle from the tip of her mask to the dirt on shoes will ensure any pose looks like it's straight out of the comics.

With two head sculpts, three pairs of hands with her signature Adamantium claws and detachable tow claws, enable amazingly dynamic poses for this uncanny member of the X-men!

Figure includes display stand.
